But when the plane took off, Lin Fan saw a figure rushing out not far away.

It turned out to be Li Xunran, and she shouted to Lin Fan in a crying voice:

“Lin Fan, if you can come back alive! May I be your wife?”

She already knew the danger of Lin Fan going here.

And Lin Fan just smiled and waved his hand, and said goodbye to her, but he didn't know if he heard what she said.

On the side, Xu Yourong said grievously:

“Miss Li, why do you think of such a thing and plan to be his mistress, don't you think it's a drop in price?”

Obviously Xu Yourong was still agitated because of what happened before.

Snapped!

But Li Xunran slapped her directly and cursed:

“What do you know? What do you know? He is going to die, for the country!”

Xu Yourong is stunned!
