

Chapter: 3054

This is the first time Zhou Yang has seen Gu Wang so concerned about things other than work. To see the two of them entering the palace of marriage is actually a small wish of Zhou Yang.

Who doesn't want her eldest brother to be fine, what's more, Gu Wang is still her benefactor.

"Then I'll call Nana and..."

"Don't!" Suddenly, Gu Wang interrupted her directly.

"I can't tell Shangguan Nana about this. Her mouth is too unreliable. Maybe one day she will directly reveal it to Zhao YINUO." Gu Wang touched his chin and whispered.

Zhou Yang tilted his head, thought about it, and felt very reasonable, so he directly excluded Shangguan Nana.

"Brother, do you think Li Ling can be trusted?" Then, Zhou Yang asked cautiously.

On the whole, Li Ling is indeed a very reliable person, but I don't know if there will be any trouble in her heart after the last incident. Perhaps, he should let the sister in front of him test her for a while. Fan.

"Zhou Yang, go have a good chat with her and test her reaction. Let's not talk about me and Zhao YINUO."

Zhou Yang naturally understood the big brother's intention, nodded and left.

Rather than saying that Gu Wang wanted Zhou Yang to test Li Ling's reaction, it would be better to say that he wanted Zhou Yang to convince the woman.

Gu Wang knew in his heart that Li Ling felt very guilty towards Zhao YINUO at this time, so at this time, a woman must come forward to do ideological work for her.

He knew Zhao YINUO as a person, and she would not easily give up any sisterhood, including the relationship with Li Ling.

"What did you say? Gu Wang wants to propose to Zhao YINUO? This is a good thing!" Li Ling said excitedly in the living room. She naturally hoped that the two of them would be fine. She finally got to this point. She hoped Zhao YINUO and Gu Wang would enter the palace of marriage more than anyone else.

"Yeah, if you want, you can prepare for the eldest brother with us." Zhou Yang looked at her cautiously and hurriedly said.

Suddenly, Li Ling's eyes dimmed.

She is willing, she is naturally willing, but I don't know if Zhao YINUO is still willing to see her? She turned her face away, looked out the window, half-squinted her eyes, and looked very sad.

Yes, she did so many wrong things! She hurt Zhao YINUO many times, how could people forgive herself so easily?

There was a little transparent liquid in Li Ling's eyes, and she was very ashamed.

"Others, you don't need to think too much about Zhao YINUO and Gu Wang, I think you should also be very clear that sister-in-law is not the kind of person who cares about everything. She has long forgotten about the past. , as long as we get along well and never cause any trouble, we can go back to the old days, eat, watch movies and go shopping together."

Zhou Yang patted her on the shoulder lightly and immediately comforted her. After hearing these words, Li Ling immediately turned around and looked at the person in front of her seriously, feeling very moved.

is this real? Could it be that Zhao YINUO and Gu Wang could really forgive themselves so easily? There was curiosity in her eyes.

In this world, who doesn't know the depth of Gu Wang's love and Zhao YINUO's love, if someone bullies her, he will definitely not let the person who framed her.

"You don't have to think too much. The elder brother still understands the relationship between our sisters, and the sister-in-law also said, people, you should look forward." Zhou Yang continued.

That's right, she's right, it's really not easy for a person to live in this world in his entire life, so where's the time to look back?

Li Ling sniffed, her expression very sad, if she had seen the matter through before, perhaps, such a thing would not have happened.

She sighed softly and laughed at herself, "Okay, as long as you don't dislike me, I will do my best."

Yes, this is the normal Li Ling! If you do something wrong, you only need to know how to correct it. In this world, who will never make mistakes?
