

Chapter: 3055

“What are you two talking about?” Ling Chen came over while greeting.

“Oh, eldest brother is going to propose to his sister-in-law.” Zhou Yang replied in a low voice.

Li Ling deliberately cast a glance at Ling Chen, but did not find anything wrong. She thought that the man she loved would be sad and sad when she heard the news, but now it seems that there is no, it seems, in In his heart, there is indeed no place for Zhao Yinuo.

She smiled happily.

“Really? This is a good thing! Why didn’t you tell me earlier!” Ling Chen patted Zhou Yang’s arm hard and shouted loudly.

“Hey, Ling Chen, what are you doing? Let me tell you, your daughter-in-law is here? Don’t do anything to me! Every time I shoot me, I work so hard, as if I’m not a woman.”

Zhou Yang complained a few words in disgust.

“It’s like you are a woman.” Suddenly, Ling Chen said softly.

Suddenly, Zhou Yang broke out, “Smelly Lingchen, stop for me! Oh, Li Ling, you don’t care about your Lingchen! What did he say about me!”

Li Ling next to her, watching this scene, raised a playful arc at the corner of her mouth.

She knew that there would definitely be no movement between Ling Chen and this Zhou Yang, so she went along with them.

Sure enough, Zhou Yang, Li Ling, and Ling Chen had been preparing at the beach, ready, waiting for that day to come.

“Hey, why haven’t I seen Zhou Yang recently?” In the office, Zhao Yinuo raised his head, looked at Gu Wang not far away, and asked immediately.

“Oh, she’s busy.” Gu Wang replied slowly.

busy? What are you busy with? Busy with the bookstore? impossible! I’ve never seen her so busy before. It’s been several days in a row and I haven’t seen her. This girl must have caused some serious trouble, right?

Zhao Yinuo immediately raised his head, his eyes full of vigilance.

No, you have to ask clearly, otherwise, if something really happened to her at that time, it would be really difficult to end it.

She knows Zhou Yang’s temperament best. Under normal circumstances, she won’t cause any trouble, but once her temper comes up, no one can stop it.

Zhao Yinuo picked up the mobile phone on the table without hesitation, and dialed it directly, with a very anxious tone, “Zhou Yang, where are you? I’ll go look for you.”

Ok? Why did you suddenly think of looking for her? Zhou Yang tilted his head and was very curious, “Sister-in-law, I’m busy, what’s wrong? Did something happen?”

“It’s not a big deal, I just haven’t seen you for a few days, a little…”

“Miss me?” Zhou Yang said hurriedly.

In fact, Zhao Yinuo wanted to say that she was a little scared, afraid that the girl would cause some trouble outside or be bullied, but since Zhou Yang said so, she couldn’t deny it.

“Well, I miss you a bit.”

“Okay, then I’ll go look for you tonight.” After that, Zhou Yang hung up the phone.

Why did this girl suddenly become so impatient? Before she finished talking to her, she hung up the phone in such a hurry.

Gu Wang, who was not far away, watched this scene, did not speak, just smiled lightly.

“How’s the Bobcat recently? Has he settled the matter with that girl?” Zhao Enuo turned around, looked at Gu Wang in front of him, and asked in a low voice.

Why does she have so much heart every day? Gu Wang directly put the document in his hand on the table, slowly got up, and walked towards the sofa.

“Why do you always worry about other people’s affairs? Why don’t you care about us two?” He gently stroked Zhao Yinuo’s hair and said softly.

The two of them? What’s the matter with them? Zhao Yinuo looked suspiciously at the person in front of him, with an unsure appearance.

“What’s the matter with us?”

“Enuo, don’t you remember anything now?” Gu Wang looked at her seriously and asked in a low voice. Suddenly, Zhao Enuo was stunned.
