

Chapter: 3056

Yes, it's been so long, and she still doesn't remember anything.

Speaking of which, she was really ashamed. Gu Wang had given her for so long, but she still couldn't remember the past at all.

"Gu Wang, are you also starting..." She hesitated.

Zhao Yinuo wanted to ask him if he had begun to despise him, but she didn't dare to ask, she was very afraid that she would get a positive answer.

"Fool, what are you thinking? You are my woman, how can I despise you, don't worry, no matter what you become, I will always be by your side, and face the prosperity and difficulties of this world with you." He said movingly.

In this world, it's really not easy to meet someone who really makes your heart move. Now that he has already met, how can he let go so easily? Even if Zhao Yinuo forgets himself, he will not leave lightly, just because he is her man.

Gu Wang hugged her tightly, his face was very distressed, yes, he was just a little distressed about her amnesia.

She doesn't remember the past beauty, the unforgettable beauty, but it doesn't matter, he can accompany her to have those prosperity and beauty again.

Looking at the beloved in front of him, Zhao Enuo felt very satisfied.

"Tomorrow, let's go see Mrs. Lin and Liangliang, I haven't seen them for a long time." Zhao Yinuo said suddenly.

Immediately, Gu Wang was very excited, she was able to take the initiative to mention the names of those two people, which was already very good.

"Okay, tomorrow, I'll definitely take you to see them." He gently kissed her forehead, and there was a bright light in his eyes.

Sure enough, the next day, Gu Wang took Zhao Yinuo directly to Mrs. Lin's house.

Looking around, I don't know why, Zhao Yinuo just feels more and more familiar, but he can't think of where he is familiar.

"Enoch, what's the matter? Are you uncomfortable?" Mrs. Lin hurried over, patted her arm lightly, and asked anxiously.

Zhao Yinuo seemed to be taken aback, his body trembled, he immediately shook his head, and hurriedly replied, "It's okay, I just feel a little familiar."

Familiar with? The corner of Mrs. Lin's mouth evoked a satisfied arc.

Familiar with it! It means that she is about to remember the past, she immediately turned around and smothered the transparent liquid in her eyes.

"Madam, how are the flowers in the garden recently?" Suddenly, Zhao Yinuo asked directly.

flower? Mrs. Lin was stunned when she looked at the person in front of her. How could she know about the garden? How could she know those flowers? He obviously didn't tell her these things!

She looked suspiciously at the person in front of her, very suspicious in her heart.

Or, what has Zhao Yinuo remembered? Mrs. Lin wiped the tears from her face and tightly grasped Zhao Yinuo's small hand, very excited.

"Enoch, tell me, do you remember something? Tell me, do you remember what happened in the past?" Mrs. Lin asked excitedly.

previous thing? No! Zhao Yinuo looked at the person in front of him without knowing why, and was very puzzled, what happened to this lady? She just asked a simple question, why did she suddenly look so excited?

"What's the matter, ma'am?" Gu Wang came over immediately and asked in a low voice.

"Gu Wang, she remembered, she really remembered!" Mrs. Lin hurriedly replied.

Remember what? Gu Wang turned around and looked at Zhao Yinuo next to him, a trace of anticipation flashed in his eyes.

"I... I didn't think of anything." Zhao Yinuo said hesitantly, could it be Madam who made a mistake? She looked at the person in front of her curiously, panicking.

"You still remember that I have a garden, and you still remember that I was growing flowers. You must know that we have met once since you lost your memory, and that time, I didn't tell you about my garden." Mrs. Lin immediately explaining.
