

# Chapter: 3058

She's still so shy.

“Okay, I won't tease you anymore. I think you and Gu Wang should get married. It's really not easy for the two of you to go all the way up to this point. So, if you have a good day, let's do the wedding. .”

This remark made Zhao YINUO even more shy.

“Madam, what did you say?” she muttered softly, while in the room, Gu Wang was discussing with Liangliang about the situation on the day of the proposal, looking very serious.

“Do you understand?” Gu Wang tapped the child's head lightly and hurriedly asked.

“Don't worry, is there anything I can't do?” Liangliang said confidently.

Very good, this child really has some style of his own! He patted the child's arm lightly, very satisfied.

After discussing the proposal with Mrs. Lin's own child, Gu Wang left with Zhao YINUO directly.

“What did you say to them? It looks very mysterious.” In the car, Zhao YINUO's tone was a little displeased.

Yes, talk to Liangliang, talk to Mrs. Lin, how come Gu Wang doesn't talk to himself?

Her heart is a little unbalanced, or does he have other plans? You should tell yourself that too.

The more Zhao YINUO thought about it, the more angry he became, and his expression became more and more dissatisfied.

Is she jealous? Gu Wang looked at the person in front of her, a playful swirl appeared at the corner of her mouth, she was finally jealous! He likes to see her jealous, because only when she is jealous will he truly feel that this woman cares about him.

“No way, you still have to eat the vinegar of an old man and a child.” Gu Wang said deliberately.

“Who's jealous? I'm not jealous.” Zhao YINUO hurriedly denied it embarrassingly.

Still dare not admit it! What's wrong with admitting that?

To like is to like, how generous it is, Gu Wang sighed softly, turned his face away, looked out the window, and suddenly fell silent without saying a word.

Zhao YINUO carefully looked at the person in front of him with an embarrassed expression.

“Oh, okay, I'm just jealous, okay.” She said softly.

Suddenly, Gu Wang pulled her with a force, followed by a sweet kiss, this is his Zhao YINUO! He likes Zhao YINUO's generous confession of his love for him.

Love, it's what you love and I want, why do you have to be fickle and hide?

“Boom!” Suddenly, the car turned off.

Oops, halfway through the road, the black lights were on fire, why did the lights go out? Gu Wang immediately picked up the phone and dialed it.

“Hello, the phone you dialed has been switched off.”

This lynx, why is it turned off at a critical moment?

A cold light flashed in Gu Wang's eyes.

The weather was so cold, Zhao YINUO couldn't stand it, Gu Wang immediately took off his jacket and put it on for Zhao YINUO next to him.

“I'm not cold, you quickly put it on, don't freeze.” Saying that, Zhao YINUO was about to return the jacket to him.

“No, you'd better put it on. This car must have been manipulated.” Gu Wang half-squinted his eyes and said in a low voice.

Now, there should be few who can attack him and Zhao YINUO. He clenched his fists tightly and felt a burst of anger in his heart.

“What did you say? Zhao YINUO is with Gu Wang now?” Tian Xiang shouted loudly in the office with a surprised expression.

This is bad, that woman must have been frozen, right? He kept lingering in place, with a look of worry in his eyes.

This group of rubbish who do things, obviously told them at the beginning that they must do it while only Gu Wang is there, but now it's alright, that Zhao YINUO is still the one who suffers!

“Snapped!”

Tianxiang slapped directly on the table next to him, with a terrifying aura.

“Then President, what should we do now? Go directly to save Zhao YINUO?” The assistant hurriedly asked in front of him.

Save what? If he went in person now, wouldn't they know that everything was arranged by himself?
