

Chapter: 3059

These idiots, why don't you use your brains to do things? Tianxiang beat his head, very anxious.

"So, you go and call a new guy and drive there on purpose."

Tianxiang hurriedly said, very anxious in his heart, Gu Wang suffered, he wished, but Zhao YINUO was injured, but he couldn't see it at all.

"Hey, what's the matter with you?" Not far away, a man waved his hand and asked loudly.

"Our car is off, can you take us for a ride?" Zhao YINUO answered immediately.

"Okay, come up." The man responded directly.

Ok? So readily agreed? Gu Wang looked suspiciously at the person not far away, with some doubts in his heart, this shouldn't be! In this big night, someone would pass by such a place where birds don't shit.

"What a coincidence." Zhao YINUO greeted the man immediately.

"It's really a coincidence." The man responded quickly.

I'm afraid, he did it on purpose, right? Gu Wang stared at the man in front of him carefully, trying to see something, and asked deliberately, "Do you have something to deal with here? Will we waste your time? It's too embarrassing."

"No, don't worry, I've just finished handling things and I'm going back, how can I think of such a coincidence that I met you, maybe it's God's will." The man replied immediately.

Really? What are you doing in such a remote place?

"Thank you." Zhao YINUO immediately smiled and said quickly.

"Why don't I feel right?" Zhao YINUO muttered to himself in the living room, Gu Wang next to him smiled, his eyes full of doting.

She felt that something was wrong. He had already felt abnormal. After the man sent them home, he left without staying for a moment, just because he was afraid of revealing something.

"Do you think someone is deliberately tripping us up?" Zhao YINUO turned his face away, looked at Gu Wang, and asked anxiously.

Needless to say, for sure, and, if he guessed correctly, the person behind him doesn't want Zhao YINUO to be wronged and hurt.

Tianxiang should be the only one who can do such a thing, right?

If this was in the past, Ling Chen must have been the object of Gu Wang's suspicion, but now that Ling Chen already has Li Ling, he naturally wouldn't do such a dirty thing.

Then, only Tianxiang is left.

Oops, could it be Tianxiang? Suddenly, Zhao YINUO's eyes lit up, she grabbed the arm of the person next to her tightly, looked a little nervous, and said in a panic, "That Tianxiang, isn't it going to be another moth?"

Seeing the panicked appearance of the person in front of her, Gu Wang pulled Zhao YINUO into her arms with a force, kissed her on the forehead gently, and smiled.

so what? As the saying goes, soldiers will block, water will cover, no matter what small actions Tianxiang will make in the future, in short, he Gu Wangding wants to protect and take good care of Zhao YINUO.

"Don't worry, I won't let you get hurt," he said firmly.

This is what he said, as if he was greedy for life and afraid of death.

"I'm not afraid of being hurt, I'm afraid that he will deal with you." This is what Zhao YINUO thought for a long time before he figured it out. Yes, Tianxiang didn't want to hurt himself, but he wanted to frame Gu Wang.

No, she has to stop this! That Tianxiang, when did he become so cautious? Want revenge? The more he thought about it, the more annoyed Zhao YINUO became, and he couldn't sit still.

"Are you worried about me?" Gu Wang asked softly while stroking her hair gently.

Is not this nonsensical! Can she not worry about him? If something happens to him one day, what should he do? She must be inseparable from Gu Wang!

"Okay, don't worry, I'll be fine, I promise you okay? Come, come, don't be melancholy." Gu Wang hurriedly patted her on the back, comforting.
