

Chapter: 3060

Seeing the person in front of him being so caring towards him, Gu Wang felt very satisfied.

When Tianxiang heard about this, he was very unwilling.

“Crack!” A water glass was slammed to the ground, and there was debris in front of him.

“President, don’t be angry. The key is that it’s useless to be angry. It’s better to think of a solution quickly.” The assistant whispered beside him.

The employees outside the office, looking at his fierce appearance, covered their faces with several layers of haze.

“What else is there? That damn Gu Wang is really lucky!” Tian Xiang sighed softly and said in a low voice.

That’s not lucky. Usually Zhao YINUO doesn’t go out much, but on that day, she accompanied the man out.

“Okay, you go out, let me calm down by myself.” Tian Xiang waved his hand and motioned his assistant to go out.

Tianxiang leaned on the sofa, half-squinted his eyes and looked out the window, his expression was very dissatisfied, Gu Wang, Gu Wang, one day, I will definitely defeat you! Well, emotionally, I have indeed lost to you, but in career, I may not necessarily lose to you!

“Boom!” Tianxiang swung a fist directly to the wall next to him, and instantly, blood flowed from his fingers.

In this way, day after day passed, and everything prepared by Zhou Yang and Li Ling had reached Gu Wang’s ears.

“Very good, the preparation is very good.” Looking at everything in front of him, Gu Wang nodded and said with satisfaction.

Of course, don’t look at who prepared these!

Zhou Yang clapped her palms and stretched out, looking a little haggard. In recent days, in order to prepare for these, she has been really busy.

“Brother, when are you going to propose to your sister-in-law?” she asked suddenly.

Well, Gu Wang raised his head and looked at the sky, his expression was a little hesitant. There was an accident some time ago, and now the days have just calmed down, so let’s wait a few more days.

“This marriage proposal ceremony is indeed very important, and it must be grand at that time.” Li Ling, who was next to her, said hurriedly.

Hearing her words, Gu Wang smiled slightly, but did not speak.

Fortunately, Li Ling has reformed.

“Zhou Yang, what about you? What are you going to do?” Gu Wang turned around, looked at the sea ahead, and asked deliberately.

For a moment, Zhou Yang’s face was very unhappy, what else could she do? Just continue to live like this, she and the lynx, no one will provoke anyone else, they will be well, isn’t it good.

Lynx naturally couldn’t let Zhou Yang go, but he was afraid that the young girl would cause Zhou Yang unnecessary trouble, so he kept restraining himself.

It’s a pity, what a loving and well-matched couple in the past, but now they parted ways like this, and a trace of regret flashed in Li Ling’s eyes.

At the beginning, everyone was optimistic about her and the Bobcats, thinking that the two of them would definitely enter the palace of marriage, but now it seems... it’s really good luck!

In this world, there are many accidents.

“Yes, in fact, I think it is still possible for you and the lynx.”

Li Ling said cautiously, the two of them clearly still have each other in their hearts, and it would not be a big deal if they were stuck like this all the time!

“Li Ling, don’t talk about it, bro, I don’t want to talk about relationships in the future, so that’s it.” Zhou Yang responded disappointedly.

if not? What else can she do? Reconcile with the lynx? Tortured by that young girl? This, she really can’t do it, instead of torturing each other together, it is better to focus on her career and divert her attention.

“I’m doing fine now, the bookstore business is also very good, and I’m very satisfied. Don’t worry about me, don’t worry.” After speaking, Zhou Yang got up and walked to the bathroom.

Not far away, Lynx looked at her, lowered her head, and looked very guilty.

Gu Wang naturally understood her mood at this time, so he did not continue to talk about some things, and he could really let go without being persuaded by others.
