

Chapter: 3061

Emotions are always a controversial topic, and men and women have different experiences, but Gu Wang is a little worried that his sister will no longer touch her feelings from now on.

“I said that the two of you are really calm, and such a big good thing is hidden from me.” Shangguan Nana, while eating the fruit, pretended to be very unhappy and complained in a low voice.

“Oh, it’s okay, we’ve already told you.” Zhou Yang replied immediately.

“What? Gu Wang is going to propose to Zhao YINUO today, and then you only told me about it today?”

This woman is really serious, Li Ling comforted her and said quickly: “Okay, as soon as there is good news in the future, I will tell you right away, okay?”

This is not bad, or this Li Ling is well-informed.

“Hey, Zhao YINUO will leave it to you.” Zhou Yang patted Shangguan Nana on the shoulder and said immediately, and then Shangguan Nana packed up “no problem” and left.

Looking at the distant back, both Zhou Yang and Li Ling laughed. In this world, only Shangguan Nana is naughty, and Zhao YINUO will tolerate it.

“Oh Nana, what are you doing?” Zhao YINUO asked displeasably, “Look at you, you covered my eyes, how can I see the road and walk?”

What way are you looking at? With her there, she is Zhao YINUO’s eyes.

“Sister ENUO, Brother Gu Wang wants to give you a big surprise, just wait.” Shangguan Nana whispered in her ear, with a trace of gossip in her eyes.

surprise? What surprise? Why hasn’t she heard of it? Zhao YINUO tilted his head and fell into thinking, what the hell is this stinky Gu Wang doing? Why did you partner with Shangguan Nana to bully yourself?

Zhao YINUO complained in a low voice while walking uncomfortably. Finally, the two stopped.

Looking at everything in front of him, Zhao YINUO was stunned, what’s the situation? What the hell is this doing? She looked suspiciously at Gu Wang, who was walking slowly, and was very puzzled.

Just when Gu Wang approached her, suddenly, he knelt down, Zhao YINUO was really startled, and his face was very flushed.

“What are you doing? Hurry up, get up! What a shame!” As she said, she helped Gu Wang up.

What’s so shameful about this? It’s just a marriage proposal, isn’t it normal for a man to kneel to a woman?

“Zhao YINUO! Marry me.” Suddenly, Gu Wang showed the ring in front of her and shouted loudly.

Suddenly, Zhao YINUO was stunned. She never thought that Gu Wang’s surprise for her was to propose to her.

For a while, there was a circle in her head, and she still hadn’t reacted.

“Marry him! Marry him!” Zhou Yang shouted loudly next to him.

All of a sudden, the people around shouted, and the scene was very lively. When Zhao YINUO reacted, he was only full of emotion.

She had been waiting for this moment for a long time. She wiped the tears from her face and said aggrievedly, “Why did you propose to me now?”

Hearing such a bizarre response, everyone around laughed.

“It’s all my fault for making you wait so long.” Gu Wang pulled her into his arms with a force and kissed her gently.

“Wait a minute!” A familiar man’s voice came from not far away.

Isn’t that Tianxiang’s voice? Zhao YINUO stepped back unconsciously, with a very dissatisfied expression. She didn’t want to see the man because she was afraid that the man would get hurt.

After all, Tianxiang was her savior.

“Zhao YINUO, have you really made up your mind? He is Gu Wang! A man who once abandoned you.” Tian Xiang approached her as he spoke.

What is this nonsense? When did Gu Wang abandon Zhao YINUO? Zhou Yang and Li Ling looked at the person in front of them fiercely, gnashing their teeth, this stinky man is clearly spreading rumors!
