

Chapter: 3063

He clenched his fist tightly, gritted his teeth, blamed Tianxiang, and he had nothing to say about old things!

“Have you found it?” On the phone, Gu Wang’s voice was very anxious.

“No, but don’t worry, the matter will definitely be resolved.” Ling Chen hurriedly comforted.

Gu Wang held up a mobile phone, and there was a hint of helplessness in his eyes. Those distorted facts, those framed appearances, were all photographed one by one. Now, they have become a handle in Tianxiang’s hand, which is really ridiculous!

“Boom!”

Gu Wang swung his fist directly at the steering wheel with a cold expression on his face.

Soon, Shen Jue and Shangguan Nana all started to act, but none of them knew that Zhao YINUO had already left the country.

Going abroad, on the one hand, because she was really angry with Gu Wang, on the other hand, she also wanted to completely relax and relax herself.

“Ding ding ding...”

The phone kept ringing, Zhao YINUO didn’t seem to hear anything, looked at the sea not far away, stunned for Shen’er, and then there was the sound of the phone accepting WeChat messages.

“Sister ENUO, where are you? We are all worried about you.” This was Shangguan Nana’s voice.

“Sister-in-law, where have you gone, brother is going crazy.” This was Zhou Yang’s voice.

“Zhao YINUO, where did you die?” This was Ling Chen’s voice.

And Gu Wang’s voice, Shen Jue’s voice, Lynx’s voice...

It’s just that the current Zhao YINUO didn’t want to hear anyone’s voice, so she simply turned off her phone and walked out with her jacket.

The weather is so nice, Zhao YINUO stretched out his arms, made a gesture of embracing nature, closed his eyes, and looked very enjoying.

It would be great if life could be lived like this all the time, carefree, she sighed softly, and a cold light flashed in her eyes.

She suddenly couldn’t figure out Gu Wang, she suddenly felt confused, she once thought that she was Gu Wang’s only love, but who would know that he was also a promiscuous man!

The men in this world are really ridiculous.

Zhao YINUO clenched her clothes tightly, and two lines of tears flowed from the corners of her eyes. She gave everything she had to Gu Wang, and she even planned to enter the palace of marriage with that person, but now... ..

“Girl, are you all right?” Suddenly, a woman came over, patted her on the shoulder lightly, and hurriedly asked.

Zhao YINUO was really startled, and he stepped back unconsciously, with a terrified expression, and immediately replied, “It’s okay.”

what’s all right? She was already crying, how could she be okay?

“My old lady, I have seen the world through. If you have anything on your mind, you can say it directly.” The woman continued.

See through the red dust? See through the mundane? Zhao YINUO looked suspiciously at the woman in front of him, and was very puzzled.

Yes, in this world, it is difficult to be a human being born as a human being. When a human being is born, it is nothing but suffering and exhaustion. When he was young, he was busy with school and good grades in exams. When he grew up, he was busy making money to support his family... ..

In fact, the whole process of people from birth to old age and death is nothing but suffering, but some people can endure it, and they will enjoy more happiness when they get old.

“I don’t have any major troubles, I just want to come out to relax.” Zhao YINUO lowered his head, a hint of helplessness flashed in his eyes.

In such an unfamiliar place, she could actually tell the woman in front of her what was on her mind, but she had no courage at all.

It’s ridiculous to think about.

“Don’t worry, boy, I won’t tell anyone else.”

All of a sudden, Zhao YINUO’s mood rose immediately, and she told the woman in front of her all her thoughts.

Very good, finally more fun, Zhao YINUO said while following his anger.
