

Chapter: 3064

Seeing the sudden relaxation of the girl in front of her, the woman smiled. Young people, it is inevitable to have a lot of firepower, just take it slow!

The woman turned around and left.

Looking at the distant back, Zhao YINUO's face flashed a hint of happiness.

Yes, sometimes, she can't tell some things to her relatives and friends, but she can tell strangers. Anyway, everyone doesn't know each other, so why care about others laughing at her? Besides, as long as a person with quality will not laugh at sarcasm.

Gradually, it got dark, Zhao YINUO immediately tightened his clothes and turned to leave.

On the table, the phone was still ringing, Xu Shi was a little annoyed, Zhao YINUO pressed the speakerphone directly and threw the phone on the sofa beside him.

"Sister-in-law, where are you now? We're going crazy." On the phone, Zhou Yang's voice was very anxious, "Where are you now? I'll go straight to find you."

Yeah? How crazy? Zhao YINUO sneered, his expression very dissatisfied.

"I'm going abroad." Zhao YINUO answered bluntly.

Suddenly, the other end of the phone was silent.

How could she suddenly leave the country indifferently? Zhou Yang scratched the back of his head, feeling very uneasy, no, this must be told to Gu Wang!

"Sister-in-law, let me explain to you that the negative news about my eldest brother before is actually fake, so please don't put it in your heart." Zhou Yang said immediately.

Fake? She is cheating! It's okay to say that alone, but it was in the newspaper after all! How could it be fake.

Zhao YINUO bit his lip tightly, his aura was terrifying.

"If there is nothing else, then I'll hang up first." After speaking, she hung up the phone directly.

"Sister YINUO, which country are you in now?" Shangguan Nana asked tentatively on the phone.

Naturally, Zhao YINUO wouldn't tell her where she was. She finally came out to be quiet. She naturally didn't want anyone to disturb her!

What's more, her anger has not subsided yet!

"Nana, I want to be alone and quiet, don't call me again." After speaking, Zhao YINUO hung up the phone.

Hearing the sound of "dudu" coming from her ear, Shangguan Nana's eyes gradually dimmed. It seemed that she was really angry this time. She had never seen Zhao YINUO go abroad because of anger.

Now that she has gone abroad, she is naturally very angry.

That goddamn Tianxiang actually brought out all those unreliable things. He really has a good intention! Originally, after Gu Wang's proposal was successful, the wedding could be held after a while, but now it's better, the bride ran away.

Shangguan Nana kept wandering in the same place, a little helplessness flashed in her eyes, how could this be good.

"Or, send someone to look abroad?" Shen Jue next to him pressed his temple and whispered.

That being said, which country should I send someone to?

Shangguan Nana was very annoyed. She didn't know where Zhao YINUO was, where she was, and where she lived, so how could she send someone to look for her?

Shangguan Nana rubbed her hands tightly, a haze covering her face.

That Gu Wang is also true, why is that, he has to do something to relieve his worries by drinking alcohol, now it's alright, the handle is known.

"Don't turn around, I'm dizzy." Shen Jue closed her eyes and complained in a low voice.

Shangguan Nana immediately stopped, took out her mobile phone, and dialed directly, "It's really not possible, let's look for each country one by one."

"What? Are you crazy? Do you know how many countries there are in the world?" On the phone, Zhou Yang's voice was very dissatisfied.

Zhao YINUO was just upset, angry, and wanted to go out for a walk and relax, so why make such a big noise? Besides, Zhao YINUO is also an adult woman. She knows what to do and what not to do.
