

Chapter: 3065

“Okay, don’t worry about it. It will take a while. If there is no news by then, it will not be too late for us to start. We must give people a buffer period, right?”

Zhou Yang said immediately.

This is true, Shangguan Nana breathed a sigh of relief, and her expression became gentle, but she was also very worried about Zhao YINUO’s safety.

At this time, Gu Wang was constantly busy in the office, looking very serious.

“Big brother, are you really not worried at all?” Lynx asked in a low voice as he walked in, his eyes full of worry.

How can you not worry? That’s the woman you love! Gu Wang put down the pen in his hand and looked out the window with half-squinted eyes, looking very sad.

“What’s the use of me worrying? She doesn’t answer my phone.” Gu Wang said lightly, his tone very helpless.

Yeah, it’s a dead end.

Zhao YINUO can answer Zhou Yang’s call and Shangguan Nana’s call, but it was her turn to call her, but she didn’t answer. It seems that she is really angry this time.

Gu Wang scratched the back of his head, his expression very dissatisfied.

“How about we fly over to find her?” Bobcat raised his head and asked softly.

Yes, Gu Wang knew Zhao YINUO’s position at this time, but he didn’t want to disturb her in the past.

Zhao YINUO’s mobile phone was installed with a software, a software for tracking and positioning, but when the woman’s mobile phone was turned off, they could not know her location.

“No, wait two days.” Gu Wang waved his hand and refused.

Wait two days? Lynx looked at the person in front of him in confusion.

He didn’t understand that, according to his previous character, as long as Zhao YINUO left him for one day, he would be worried to death, how could he be so calm today.

“Aiya, Lynx, why don’t you come home these days?” Suddenly, the young girl barged in.

what’s the situation? Lynx looked at the woman in front of her with an embarrassed expression. How did she come to the company?

“Hey, you, get out!” Gu Wang said indifferently to the woman who ran in.

All of a sudden, the young girl was stunned, this Gu Wang is really indifferent! He actually let himself go! The young girl clutched the lynx’s arm tightly, deliberately pretending to be aggrieved.

“Brother, I’m sorry, I’ll take her away.” With that, Bobcat pulled her away.

“What exactly do you want to do?” At the door of the company, Bobcat threw off her arm and asked coldly.

What do you want to do? Of course, I want him to give him a name! Now that Zhou Yang has withdrawn, he still has no place in his heart, which is so unfair.

Why? Why did that stinky woman in Zhou Yang decide to leave this lynx, and he still thinks about that woman? She just wants to make trouble, she just wants to let the employees in the whole company know everything about herself and the people in front of her!

“Lynx, I haven’t seen you for several days, I really miss you.” The young girl said pitifully while shaking his arm.

miss him? snort! Do you miss his money? The lynx pushed the person in front of her away with all her strength, keeping a certain distance from her, for fear of being seen by the people around her and giving birth to something right or wrong.

“Let’s go, I have to go to work.” He turned to leave.

“That...” The young girl stopped him immediately.

“Lynx, I have no money in my hand, can you lend me some money?” the young girl lowered her head and said softly.

Sure enough, she really came to find her just for money. Lynx raised her head, looked at the sky above, and sneered.

Why should he give her money? She is neither his girlfriend nor the child she is pregnant with, so why should he support the people in front of her?

“You’d better go, find the biological father of the child, marry him, and let him give you a stable home. Also, don’t waste any more effort, this child is not mine, and I will not accept you and the child. ‘ said the lynx firmly.
