

# Chapter: 3066

All of a sudden, the young girl was blinded, she had never met the person before her so seriously!

“No, this child is yours! Lynx, don’t you even want your own child?”

Can pull it down, presumably who is the biological father of this child, even she herself doesn’t know?

“Don’t keep pretending, aren’t you tired?” Lynx said annoyed.

Not tired, of course not tired! What if she doesn’t keep pretending? She was already inexplicably pregnant, and she could no longer return to the compound.

“Lynx, please, accept me, I’ll do laundry and cooking for you.” Suddenly, the young girl knelt down.

All of a sudden, the lynx panicked, and the people around began to point again and again.

“Hurry up, hurry up, don’t you want people to see my joke.” Bobcat said, and hurriedly helped the woman to stand up.

But the young girl was reluctant to get up.

“Hey, what the hell is going on with that lynx? Mingming and Zhou Yang are on good terms, why are you flirting with a woman now?”

“Oh, don’t you know, Zhou Yang has already broken up with him. I heard that it’s because of the girl outside.”

Outside the office, several employees were talking non-stop, looking very gossipy.

After Gu Wang heard it, he immediately put down the document in his hand and walked out directly. Sure enough, there was a hypocritical and miserable picture in front of him.

This girl is really good at making things, and she actually made her work in the company!

Gu Wang clenched his fist tightly, walked up immediately, deliberately pointed at the young girl kneeling on the ground, and asked loudly, “What are you doing?”

In an instant, the young girl immediately stopped crying.

“Lynx doesn’t want me anymore, he hates me!” the girl answered loudly immediately.

Immediately, the people around were sighed.

“You’re lying!” Bobcat couldn’t hold back and roared directly.

“Hurry up and take her away, what’s going on.” Gu Wang gently pushed the bobcat and said quickly.

But the point is, he can’t drive her away, nor can he take her away! Lynx looked at the man in front of him with helplessness in his eyes.

“Someone, drag her away!” Gu Wang waved his hand back.

Soon, several security guards ran over directly and hugged the young girl on the side of the road. In a moment, the people around were scattered.

“Look, this is a good thing you did!” Gu Wang pointed at the person on the side of the road and said displeasably to the bobcat beside him.

“What about me, you’re not a troublemaker yourself.” Bobcat lowered his head and kept muttering.

“What did you say?”

“It’s nothing, I mean, thank you big brother for your help today.” Bobcat immediately smiled and covered it up.

This stinky guy, don’t think he didn’t hear it, and dare to talk about his fault.

Lynx naturally knew that Gu Wang had already heard it, brother, it’s normal to joke occasionally.

And the young girl on the side of the road looked at the two backs walking towards the company lobby, her teeth were itching with anger, this damn lynx, he actually wanted to drive himself away!

And that damn Gu Wang, how dare he treat her like this! It seems that if they don’t use some means, they will not pay attention to themselves!

“Recently, don’t go to Zhou Yang, you must know that that young girl is not a good person.” In the office, Gu Wang whispered to the Bobcat in front of him.

In fact, Lynx knows this very well. It has been several days in a row, and he has not contacted Zhou Yang, because he is afraid that she will suffer unnecessary harm because of him.

“President Gu!”

Suddenly, Zhou Yang’s assistant broke in directly, looking very flustered. When she saw the bobcat beside her, she immediately calmed herself down and pretended to be very calm.

“Speak!” the lynx yelled at her.
