

Chapter: 3069

And that lynx, it's been so long, he hasn't dealt with the matter between himself and that young girl, but he let Zhou Yang take the blame in vain! What's the point!

The next day, Zhao YINUO appeared in the hospital ward.

Looking at the woman on the hospital bed with her eyes closed, Zhao YINUO was very heartbroken. She immediately tucked the quilt for Zhou Yang, sniffled, and looked very nervous.

If the matter between the lynx and the girl is not resolved one day, Zhou Yang will live in dire straits.

The struggle between women and women is no different than the battle between men and men on the battlefield. There are too many scheming and routines here.

"Uh..." Zhou Yang stroked his forehead and called out.

"What's wrong? Is it a headache?" Zhao YINUO asked immediately, with a worried expression.

Ok? Isn't that my sister-in-law's voice? Zhou Yang immediately opened his eyes and looked at the person in front of him incredulously. He was very frightened. Could he be dreaming?

She grabbed Zhao YINUO's arm tightly, her face very nervous.

"What's wrong with you? How did you see me like this?" Zhao YINUO asked suspiciously.

is her! It's her!

"Sister-in-law, you are back!" Zhou Yang immediately hugged the person in front of him tightly, feeling very excited. There are too many grievances and a little worry here.

Zhao YINUO patted her back lightly, comforting her, a terrifying cold light flashed in his eyes, "Come, tell me everything about what happened, and I'll call the shots for you."

She still didn't believe it. Now in a society ruled by law, that girl can still go beyond the law and kill Zhou Yang?

"Sister-in-law, I'm so uncomfortable! I'm really uncomfortable..." Finally, the person on the hospital bed couldn't hold back his emotions and started crying hysterically.

Yes, it's been so long, she really should have a good cry.

"It's that girl. She framed me to kill her and the child in her womb, but I don't have that kind of mind, you know."

Zhao YINUO naturally knew that Zhou Yang would not do such vicious things. After a long time, she finally understood the whole process.

What a ruthless woman! She clenched her fist tightly, her expression very gloomy.

"Don't think too much, Gu Wang is still here, don't worry, he will definitely do justice for you." Zhao YINUO comforted her while gently stroking her hair.

Yes, she can only rely on Gu forgets.

"Boom!"

"You stinky man, what are you thinking about in your heart? How is Zhou Yang being bullied by that bitch? Are you still indifferent?"

Shangguan Nana burst into the living room while roaring.

"Nana, what's the matter with you?" Lynx immediately went to meet her and asked hurriedly.

What's wrong? It's all a good thing he did, and he didn't go to some compound. Now, it's okay, something happened, be honest!

"Then I didn't know such a thing would happen." Lynx continued.

Yes, he was waiting for the young girl to come back and ask clearly, but he unexpectedly waited for Shangguan Nana.

"What on earth do you think? Let Zhou Yang be bullied for no reason like this? No way, Bobcat, if I'm not mistaken, you still have her in your heart. Why do you want to appease that girl like this!" Shangguan Nana clapped her palms and said anxiously.

She understands Zhou Yang's temperament, that woman will never do anything inappropriate, everything is just fabricated by that stinky girl!

Looking at her cold and anxious face, Lynx sighed and sat down, trying to calm herself down.

He didn't know what to do anymore. Obviously, the girl's intention was to marry her, otherwise, she would create all kinds of accidents, including embarrassing Zhou Yang.

What a vicious woman.

Lynx clenched the corner of his clothes tightly, bit his lip fiercely, his expression very dissatisfied.
