

# Chapter: 3071

“Run.” Zhao Yinuo replied sadly, yes, when she walked into the ward, the woman had inserted the knife into Zhou Yang’s stomach, and then ran away immediately.

After a long time, the doctor came out of the ward.

“Doctor, how is it? How is my sister?” Zhao Yinuo asked while touching his eyes.

The doctor slowly took off the mask, shook his head, his expression was very ugly, and replied softly, “Sorry, the child was not saved, the adults have been rescued, but they must rest.”

child? what kid? Zhou Yang is pregnant?

Bobcat held his head in his hands, and the whole person was stunned. How could he not know? Why didn’t Zhou Yang tell him these things.

But the fact is that Zhou Yang didn’t even know when he was pregnant. The poor woman lost her child unknowingly.

“Why are you all here? I’m fine, I just suffered a little injury.” Zhou Yang on the hospital bed said weakly, smiling awkwardly.

Why is this girl still so stubborn? How long is she going to hide it!

Also, should I tell her about the child? If she really finds out, she will be sad again. Zhao Yinuo has been hesitating, and her heart is very painful.

“Sister-in-law, look at you, what’s the matter? Why are you crying? I’m fine!” Zhou Yang said immediately.

After a few people chatted together, Zhou Yang let them go, only Zhao Yinuo was left.

“Sister-in-law, we all understand people. I think you should know the reason why I didn’t let you leave.” Zhou Yang said seriously to the people in front of him.

Yes, if it was just a matter of her murder, how could Shangguan Nana cry so sadly? After all, she also survived, which should be a fortunate thing.

But just now in the ward, Shangguan Nana’s expression was always worried. Could it be that she had some terminal illness? How many days have passed?

Since entering the business field, Zhou Yang has really improved a lot in terms of insight into things and observing people’s faces.

“The purpose of letting me stay is not to want me to take good care of you.” Zhao Yinuo said deliberately.

She was still pretending to be stupid, Zhou Yang was clutching the sheets, looking a little anxious.

“Sister-in-law, let’s not talk secretly, let’s talk, what did the doctor say? Don’t worry, I still know my own body.”

Does she count? What number does she have? I didn’t even know that I was pregnant, and I was busy all day, not caring about my body at all.

Thinking of this, Zhao Yinuo became angry and replied immediately, “It’s nothing major, the doctor said that you were just frightened, and you need to rest and recuperate.”

Really? No, it must not be true!

“Okay, if you don’t tell me, then I’ll go directly to the doctor.” After saying that, Zhou Yang got out of bed to find the doctor.

“It’s alright, alright, don’t bother, I’ll tell you if you don’t!” Zhao Yinuo immediately stepped forward to support her, and finally, Zhao Yinuo told Zhou Yang the matter.

Unable to hold back, Zhou Yang directly touched his stomach and cried in pain.

“It’s all my fault, it’s all my fault!” She roared while beating her head, but things have come to such a stage that no matter how sad she cried, no matter how much she regretted it, it was irreversible.

“What about that woman? I want to catch that woman and kill her for her life. I want to send her to the police station!” After speaking, Zhou Yang pushed Zhao Yinuo aside with all his strength.

Oops, she knew that when Zhou Yang knew about this, there would definitely be a storm, and the woman who hurt Zhou Yang had already run away.

It was also because of this that the young girl did not leave.

At this time, if she really leaves, then everyone will point their finger at him. At that time, I am afraid that it will be self-defeating.
