

# Chapter: 3073

The young girl clutched the corner of her clothes tightly, her expression was very unhappy, she walked to the sofa angrily, and sat down directly. What, now that the woman is injured and the child is gone, is he in a hurry? When I was injured or wronged, I never saw him so sad!

“You go to surrender, Zhou Yang will not let you go easily.” Lynx closed his eyes and said lightly. At this time, he no longer had any strength...

How much he wanted to slap the person in front of him, but he knew in his heart that the girl would use this to find fault and make things worse.

“Lynx, don’t wrong the good man, I didn’t do anything, why should I surrender? Also, you should believe me, we are a family! Now you doubt me for a woman, I The child in your womb belongs to your lynx.”

“Snapped!”

Suddenly, the lynx picked up the water glass on the table and threw it directly to the ground. There was a piece of debris in front of her. Suddenly, the young girl was frightened, and she stepped back unconsciously.

This stinky girl, things have developed to such an extent that she is still looking for excuses to shirk her responsibilities! Lynx tightly clenched the fist in his hand and gritted his teeth. If the person in front of him was a man, he would have already started a beating!

“Whether you admit it or not, the child in my womb is always yours!” the young girl continued to shout.

“Go away! Go away! Don’t show up in front of me in the future, or I will never let you go like this!” Lynx pointed at the door and yelled at her.

roll? Why should she get out? The person who should get out is her Zhou Yang, the young girl turned around without saying a word, and went straight upstairs.

The lynx leaned on the sofa in the living room, pressing his temples, his expression was very painful, and he beat his forehead hard, looking very regretful.

What the hell did he do in his last life? So much so that he actually encountered such a scourge in his life. At the beginning, his head must have been squeezed by the door, and he went to some compound indifferently.

“Ding Ding Ding!”

“Lynx, come to the hospital.” Zhao Enuo’s voice was very indifferent on the phone, Bobcat immediately sorted out his emotions, picked up the jacket next to him, and hurriedly left.

At this moment, Zhou Yang was lying on the bed, his big eyes looked at the lonely crescent moon outside the window, his expression was very gloomy.

“Boom!”

“What’s wrong? What’s wrong with Zhou Yang? Did something happen?” Bobcat asked loudly as he broke in.

“Keep your voice down, other patients are already asleep.” Zhao Yinuo walked over immediately, gently pushed his arm, and said quickly.

Looking at the person who broke in just now, Zhou Yang took a deep breath, tried to adjust his emotions, and asked coldly, “Lynx, I’ll ask you a question, if the child in that girl’s belly is really yours , if I insist on sending her to the police station, what will happen to you?”

All of a sudden, the lynx is blinded, how is this possible? This is simply impossible, the child in that young girl’s belly must not be her own!

He glanced at Zhao Yinuo next to him, his body trembling a little.

“Don’t say that the child in her stomach is not yours, please answer my question directly.” Zhou Yang continued.

Zhao Yinuo turned around and looked out the window, not wanting to participate in this topic.

“Whether the child in her belly is mine or not, if she really hurts you, I will definitely send her to the police station!” Lynx replied fiercely.

Yes, in his heart, Zhou Yang has always been the most important woman. She has no parents and no relatives, so he must not bear her any more!

Zhou Yang turned his face away, closed his eyes, and two lines of hot tears flowed directly down.

As for this answer, Gu Wang actually knew it for a long time. He looked at the lynx in front of him and smiled with relief. At least, this answer was a rare comfort to Zhou Yang.
