

Chapter: 3074

You know, this answer is not a choice that everyone can give.

“Okay, very good, then don’t blame me for being rude.” Zhou Yang wiped the tears from his face and answered bluntly.

Since then, she will start to thoroughly investigate the truth of the matter! She must send that girl to the police station!

“Okay, don’t worry about it, everything is still with me and Gu Wang, we will help you to investigate, and you will take good care of yourself in the hospital.”

Zhao YINUO patted her shoulder lightly and said in a low voice.

“Yo, who is this? What are you doing here?” Suddenly, Shangguan Nana walked in and said yin and yang with a sarcastic expression on her face.

The stinky man, Lynx, actually made Zhou Yang look like this. Every time she thought about it, she was very angry.

“Nana, where do I want the wontons?” Zhou Yang on the hospital bed hurriedly took over the conversation and asked loudly.

“Well, this is the wonton you want.” After saying that, Shangguan Nana walked straight to her.

Several people exchanged a few more words, and Gu Wang pushed the bobcat and left the ward directly.

Gu Wang knew very well in his heart that if the lynx continued to stay in the ward, she would definitely train the lynx with the temperament of Nana, the superior officer.

“Hey, what do you think? You can’t just endure it like this, right?” Shangguan Nana said softly while eating the fruit.

Blindly endure? Why? Just because the girl is younger than you? What a joke! What she is doing now is not a child’s play.

Zhou Yang wiped his mouth, a look of firmness flashed in his eyes, and he answered solemnly, “No, I must let her taste the taste of jail!”

Although this world is extremely complicated, there are still laws. Now, as long as you find evidence, you can directly convict her, but...

Zhou Yang lowered his head, with a worried expression on his face, that witness has run away, where is she going to find it?

“Okay, this is my good sister. Let me tell you, sometimes, we must not show softness, otherwise, people really think we are easy to bully.”

Shangguan Nana said indignantly.

Yes, Zhou Yang nodded in agreement. At first, it was because he didn’t want to make things bigger, and he just tolerated it blindly, so that the girl was able to make further progress, constantly embarrassing herself, and even framed herself. Now, she can no longer do anything, happened!

“President Gu, I found it.” In the office, the assistant looked up at Gu Wang who was in front of him, and hurriedly said, reporting the news he had just received.

“Where?” Gu Wangzuo stood up suddenly, his expression very excited.

“Nursing home.” The assistant answered directly.

What is she doing in a nursing home? Gu Wang stood up, looked out the window, frowned tightly, and fell into deep thought. It seemed that there was someone she cared about in that nursing home.

The corner of Gu Wang’s mouth evoked a playful arc, if there is someone she cares about, then she must have a weakness. Soon, he appeared in a nursing home.

“President Gu, look, it’s the woman in the room.” The assistant pointed to a person in the ward and said quickly.

There were two women in the ward, one was the one who harmed Zhou Yang, and the other was an elderly man who looked a little abnormal.

In an instant, Gu Wang all understood that they were mother and daughter.

Just when the assistant wanted to break in and grab the woman, suddenly, Gu Wang stretched out his hand and directly stopped his movement.

“Mr. Gu, what do you mean?” The assistant looked suspiciously at the person in front of him, and was very puzzled. He was the one who wanted to arrest him at first, so why is he regretting it now?

In fact, Gu Wang didn’t regret it, but he didn’t want that woman to be caught in front of his mother. Some things should still save some face for some people, not for anything else, but for the only good thoughts in their hearts.

Soon, the two women had a simple exchange, and the woman who harmed Zhou Yang came out. At that moment, the assistant took her directly.
