

Chapter: 3076

“I don’t care what method you use, I must find that girl.” Gu Wang said very seriously, which made Lynx immediately cautious.

“Boom!” is the sound of opening and closing the door.

That’s right, it was the young girl who came back. After Gu Wang heard a series of movements on his mobile phone, he suddenly had an idea.

“Who were you calling just now?” the young girl asked immediately.

“Oh, it’s a colleague who worked for Gu’s and then resigned.” Lynx answered hesitantly, putting the phone aside.

Really? But why? She always felt that something was wrong? The young girl stroked his forehead lightly, trying to play emotional cards with him.

“Lynx, if you’re tired, take a break.” After saying that, she picked up the phone on the table next to her.

“Give it to me!” Suddenly, Bobcat grabbed the phone, “What do you want to do? Why did you touch my phone?”

what’s going on? Girlfriend can’t touch boyfriend’s phone yet? What’s the point of this?

“Lynx, both of us have come to this point. It’s really not easy. You should believe me.” The young girl said with a deliberate smile.

“Let go of me! What are you trying to do?” the young girl shouted as she struggled.

What do you want to do? Naturally, she wanted her to apologize to Zhou Yang!

This stinky woman who suffered thousands of knives actually had a bad intention and wanted to put Zhou Yang to death, but the lynx grabbed her arm tightly, as if she was afraid that she would run away.

“Lynx, I’m carrying your baby in my stomach, you’d better be more polite to me!” the girl continued to roar.

His flesh and blood? What a joke! From the beginning to the end, she was the only one who said that the child in her womb belonged to him. This bitch has already made himself into something, how could he let him go so easily?

“Crack!” Suddenly, Lynx exerted force, and the young girl collapsed to the ground.

In the ward, Zhou Yang was lying on the hospital bed, looking at the woman on the ground coldly, and hating it very much, it was she who killed her own child.

“You...you killed my child!” Zhou Yang pointed to her nose and shouted weakly.

“Zhou Yang, calm down, don’t worry, she’s right here and can’t run away.” Zhao YINUO hurried over and patted her on the back, trying to comfort her.

Zhou Yang’s mood changes, Zhao YINUO sees it all in her eyes. She loves this sister and will never tolerate the mistakes made by the young girl in front of her.

“The child is gone, you owe Zhou Yang an explanation and apology.” She walked slowly to the girl and said lightly.

explain? Apologize? Any good explanation? Why should you apologize? The young girl burst out laughing, yes, she did it on purpose! She is going to kill this woman!

But so what? They have no evidence! They couldn’t produce any evidence that they framed Zhou Yang at all.

“What? You still want to frame me? Dream about you! Lynx, you stinky man with no conscience, I am still a pregnant woman, I gave you my first time, I am carrying your child, and now, you What do you want to do to me? What do you want to do?”

“You said that you will be responsible for me, that you will give me and my child a complete family, but now you have regretted it.” The young girl roared loudly while wiping away her tears.

Yes, indeed, Bobcat had said this to her before, but it was a promise that he would only fulfill when the child she was carrying was really his own! But now, this child is obviously not her own, but she insists on giving it to herself, what is the reason for this?

She just wanted to find a man by her side, and this person, preferably a rich man, if she didn’t know the existence of the million, would she still be so persistent with herself?

What a joke!

“First of all, the child in your belly is not mine; secondly, I have nothing to do with you, you don’t want to spit; also, I have no money on me, all my money is used for investment, so you are in I can’t get any benefit from me, I advise you to find the biological father of the child.” Lynx whispered.
