

Chapter: 3083

“That said, Ling Chen is your friend and Gu Wang is your fiancé. How good are you now, if you want money and money, you need connections and connections. We are not more perfect than you.”

How thick-skinned does this group of people have to say such unreliable words! Zhao Yinuo bit his lip tightly, looking very unhappy.

With her own temperament, even if Zhao Yinuo loses her memory, she can guess it by herself. At the beginning, she must not have helped these few people in front of her!

Zhao Yinuo looked at them fiercely, with a terrifying expression, a group of ungrateful, ungrateful people who only knew their own interests, and now they are still here to deceive themselves!

Thinking of this, her heart burst into anger.

“Don’t stop me, let me go.” She looked at the person in front of her and said coldly, “Get up! I want to go back.”

With such a terrifying aura, the person in front of him should be able to feel his anger, right?

Get off? She doesn’t! She is going to block the door of this box and let no one go out!

Finally, Zhao Yinuo couldn’t bear it any longer. She pushed the person in front of her to the side with all her strength, and walked over by herself.

Yo, this stinky girl is not well-behaved at all. Suddenly, an ugly-looking woman in the box ran out.

“Boom!”

“Ah!” A scream broke through the sky.

All of a sudden, everyone around was stunned, what’s going on? Zhao Yinuo looked at the woman on the ground downstairs with a shocked expression.

Suddenly, Mrs. Lin understood, she immediately took Zhao Yinuo’s little hand and planned to leave.

“Stop them! Don’t let them run away!” Soon, several men appeared in front of them and surrounded them.

In an instant, Zhao Yinuo was stunned, but Mrs. Lin was very sober. This was framed!

They are going to break the jar!

“What do you want to do?” Zhao Yinuo asked in a low voice, staring at the person in front of him.

“What can we do? Enoch, you are a murderer.” Suddenly, a young woman said directly.

What? When did she kill? That woman obviously jumped off by herself! At that time, I had never met her at all!

Damn, co-authoring was fooled again?

“I don’t!”

No? Today’s one by one, but they carefully planned, must have!

Soon after, several police officers rushed over.

“Bring them all into the police station! Hurry up!” With an order, Zhao Yinuo and Mrs. Lin were both brought into the police station.

How can this be good? Zhao Yinuo frowned tightly, with a very dissatisfied expression. Those damn women never thought that they would design scenes to harm him.

“Okay, don’t worry, Gu Wang is still outside, he will definitely help us, don’t worry.” Mrs. Lin quickly patted her shoulder and said softly.

What are you worried about? Things have already developed to such an extent, how could she not be worried?

“Zhao Yinuo, this time you killed someone. After you come in, don’t even think about going out.” The young woman beside her said yin and yang strangely.

“Why did you do this? I have no grudges against you, why did you frame me like this? Where did I offend you?”

snort! Where did they offend them? What offends them is more than a star and a half?

Back then, if it wasn’t for her stinky woman, how could they have been kicked out by Ling Chenzhong? If it weren’t for her, how could I have been unemployed at home, looked down upon by my husband’s family, and laughed at by my sister-in-law? All of this was caused by her!

However, regarding the current situation, Mrs. Lin had listened to it before.

But there is a saying that it is good to say that God’s sins are still forgiven, self-inflicted sins are not allowed to live. The reason why they were expelled and driven away by Ling Chen was not because of a problem with their work style?

“It’s all self-inflicted, don’t think about putting all the blame on others.” Mrs. Lin whispered deliberately, Zhao Yinuo immediately turned his face away, looked at Mrs. Lin in front of him, and felt very uneasy.
