

Chapter: 3084

Madam, does this mean she knows something?

“Don’t be afraid, justice is in the heart, you haven’t hurt anyone, and the law won’t hurt you, kid, don’t worry, Gu Wang will definitely try his best to save us.”

Mrs. Lin said immediately.

It’s just a pity, now Gu Wang has gone abroad.

“Okay, just save your energy, Gu Wang is not in the country now, who do you expect to save me?” the young woman next to her continued.

Gu forgot to go abroad? When did this happen? A trace of confusion flashed in Zhao YINUO’s eyes, what should I do now? Gu Wang is not there, who can call the shots for themselves? Who can save themselves out?

It’s over, there’s still Liangliang, Liangliang is going home from school, if he can’t see Mrs. Lin, the child must be going crazy.

“Comrade police! Come here, I’ll tell you, this matter has nothing to do with me alone, and has nothing to do with her, so hurry up and let her go.” Zhao YINUO pointed to Mrs. Lin, who was anxious. said.

But the police did not believe her words at all.

“Comrade police, don’t listen to her, they belong to the same group.” The few people next to them said deliberately, arguing.

At this time, Gu Wang was standing in front of the window, holding a mobile phone and making a call, his expression looked a little anxious, what is this Zhao YINUO doing? Why don’t you answer the phone?

He clenched his phone tightly, and a cold light flashed in his eyes. Could something have happened to her again?

After Gu Wang hung up the phone, he called Bobcat directly.

“Sister-in-law? Didn’t come to the company.” Bobcat said in a low voice, without a trace of ups and downs in his tone.

It seems that the Bobcats did not see Zhao YINUO either.

“Hurry up and look for it, don’t let her have any accident. I kept calling her before I went abroad, and she didn’t answer. Now that I’m abroad, she still doesn’t answer.”

Gu Wang’s voice was full of worry.

“Okay, eldest brother, don’t worry, don’t worry, I will find my sister-in-law right away to ensure her safety.” Lynx picked up the coat on the sofa and walked out.

“Grandma! I’m back!” Liangliang shouted as soon as he ran into the living room, but there was no response from the surroundings, and there was no movement in silence.

what’s the situation? The child looked around, feeling that something was wrong, and then he shouted several times, but still didn’t hear any movement.

Grandma went to the garden again? No, at this point, she should be back too, Liangliang immediately put down her schoolbag and hurried out.

“Boom!” The lynx rushed in, looking out of breath.

“Child, where is your grandmother?” He looked around and hurriedly asked.

“Grandma’s gone! As soon as I came back, I didn’t see her, nor was she in the garden.” Liangliang replied immediately with a trembling voice.

It seemed that Mrs. Lin disappeared together with Zhao YINUO. Lynx beat her head hard, feeling very unhappy.

This is bad, how could he explain to Gu Wang?

“Ding Ding Ding!”

“Don’t worry, I heard that someone is going to invite my sister-in-law and Mrs. Lin to dinner.” On the phone, Zhou Yang’s voice was very calm.

Invite Zhao YINUO to dinner? Lynx scratched the back of his head, very suspicious.

You must know that Zhao YINUO’s character has always been very good, and naturally there are many friends. There are many people around here who want to invite her to dinner.

No, no, wait, invite her to dinner, then the other party must be someone who knows her, and she hasn’t come back yet, and Zhao YINUO has never answered Gu Wang’s call, then something must have happened.

So, on the whole, it must be someone who held a grudge against Zhao YINUO invited her to eat! No, he’s going to ask some people to help.

Bobcat immediately hung up the phone and went straight to the supermarket.

In the past, when Zhao YINUO lived here, he often went to that supermarket to work, and naturally he came into contact with more people in the supermarket. Whether it was good for her or bad for her, there were always a few people who knew that. .
