

Chapter: 3085

“What did you say? Enoch is back?” an old woman hurriedly asked with a trembling voice, clutching the lynx’s arm tightly.

“Yeah, Auntie, have you seen her?” he asked immediately.

“No! I haven’t seen her all day, she has never been here.” The old woman replied immediately.

This old woman used to have a good relationship with Zhao Yinuo, and she was very honest. She never caused trouble. Even if something really happened in the supermarket, she was just a bystander, doing her own job. .

“Auntie, are you sure? Someone said to invite my sister-in-law to dinner.” Lynx continued.

Question after question, answer after answer, but the Bobcat still didn’t get the response he wanted. Perhaps, he should ask in another way.

“Is there any place for dinner nearby?”

“Yes, not far from there, there is a small restaurant, we used to have dinner there.”

very good! Without saying a word, the lynx ran out directly.

That’s right, he came to the small restaurant non-stop, picked up the photo in his hand, and began to ask the owner and the proprietress of the restaurant.

“Alas! Our restaurant is about to close soon.” The boss sighed while smoking a cigarette.

close the door? why is that? Lynx looked around and was very puzzled. It was really strange. The location of this restaurant is so good, why is the business not good at all?

He looked suspiciously at the boss and the proprietress in front of him, his eyes full of doubts.

“Well, it’s the person in the photo in your hand who killed someone here and has now been sent to the police station.” The proprietress said bluntly.

What? Zhao Yinuo murdered? how can that be?

On weekdays, she was reluctant to touch a puppy, so how could she possibly kill someone? The two must have made a mistake, and Lynx cleared his throat, intending to ask.

“Don’t ask around, let me tell you the truth, that woman, we have known each other before, she is a regular customer here. I know that a few of them used to go to work together in the supermarket, and they are often in my office. Dinner here.”

The boss explained in a succinct manner. Suddenly, the bobcat was confused. He said so carefully, it must be right, but, what is going on in all this?

He clenched his clothes tightly, trying to control his emotions.

After some remarks, the bobcat ran out of the restaurant immediately, that group of goddamn women dared to frame my sister-in-law like this! He immediately picked up the phone and dialed directly.

“Sister-in-law has entered the police station.”

“What did you say? Why is she at the police station? I’ll stop talking about it, I’ll go right there.” After speaking, Zhou Yang hung up the phone and handed the child over to the nanny next to him.

Soon, Zhou Yang, Shangguan Nana, Li Ling and Ling Chen all went to the police station.

“Sister Enuo, what the hell is going on? What did you do?” Shangguan Nana immediately grabbed Zhao Enuo’s small hand and asked anxiously.

What else can she do? She obviously didn’t do anything! Zhao Yinuo’s eyes were filled with transparent liquid.

What can she do? I was framed by others, and now I have to bear the unwarranted charges here for no reason.

All of this came so suddenly, she hadn’t had time to prepare, and although Mrs. Lin knew it, she didn’t expect those women to be so heartless.

“Madam, what happened? Hurry up and tell us, so that we can prescribe the right medicine.” Zhou Yang said softly.

“Okay, okay, I’ll tell you all.” Mrs. Lin grabbed her arm tightly and answered anxiously.

Sure enough, it was Zhao Enuo’s former colleague who worked in the supermarket.

“Crack!” Suddenly, Bobcat slammed a fist directly at the wall next to him, and in an instant, blood flowed from his fingers.
