Yes, isn't she in a hurry to ask him to go to the appointment! Tianxiang rubbed his palms tightly, looking very anxious, and continued: "Mr. Li, I think, as men, we should focus on our careers..."

Mr. Li, who was on the side, flipped through the documents and listened to his nagging.

At first, he was very polite to Tianxiang, but later he got really annoyed, and immediately threw the document in his hand on the table in front of him with a very impatient expression.

"Mr. Tianxiang, if you have nothing else to do, you can go first. Didn't Miss Dai'er also invite you? What? Don't you go and clean up?" Mr. Li asked directly.

What to pack? He had no plans to attend any banquet at all.

"I don't have time to attend that banquet, I still value my career." Tianxiang replied deliberately.

"Then shouldn't your career be in China? Why should you come abroad?"

After a few words, Tianxiang was speechless in front of him. It seemed that he didn't want to stand by himself.

Tianxiang sighed softly, his expression was very dissatisfied. Fortunately, he did some tricks on the boat. If he directly found the person in front of him and tried to cooperate with him, he would definitely be rejected.

Finally, Mr. Li looked at his watch, glanced at Tianxiang in front of him, picked up his jacket and left.

Looking at the distant figure, Tian Xiang's heart was filled with disappointment.

"President, what should we do now?"

What else can I do? Go to the banquet.

"Go! Go to the appointment!" Said, Tianxiang walked out directly.

Because of Dai Er's cooperation, as expected, Gu Wang completed the task in the shortest possible time.

Bobcat and the assistant looked at the piles of clothes in front of them and were surprised. They never imagined that the employees in the factory could produce so many clothes in such a short period of time.

"Okay! Don't look at it, I hired a lot of employees and paid double the salary." Gu Wang explained looking at the puzzled expressions of the two of them.

All of a sudden, the two people in front of them all understood, but as long as they can complete the task and do not affect the reputation of their own company, everything is easy to say!

This time, Gu Wang has learned to be smart. He did not carry the clothes away in front of everyone in an open and honest way, but went through other channels. By the time Tianxiang reacted, the clothes had already been shipped abroad.

"Crack!" In the office, Tianxiang slammed the vase and flowerpot with a fierce expression.

The assistant next to him just watched him lose his temper, and did not dare to persuade him.

"Damn Gu Wang!" Tian Xiang shouted loudly, facing out the window.

"sneeze!"

"Who missed me?" Gu Wang sneezed, smiled, and whispered.

Who will miss him? Zhao YINUO pouted, with a hint of contempt in her eyes, she deliberately said, "Could it be that Dai'er?"

Some time ago, Dai Er held a banquet, and Gu Wang also went to attend, but Zhao YINUO didn't go because of something.

Yo, is she jealous? Gu Wang walked over slowly and took her into his arms with a playful expression, "Are you jealous?"

Who is jealous? She didn't! Zhao YINUO turned his face away, remained silent, and did not speak.

Gu Wang kissed her cheek, very satisfied, he just likes to see her jealous, cute and playful.

"Okay, this time, we should also thank other people Dai Er, she helped me a lot." Gu Wang continued.

Yes, who is Dale? Turning over her hands, people will think that she will make a big move. Besides, she is so beautiful and she is so good. Naturally, there are many men behind her. Maybe, this Gu Wang still misses that woman in his heart. !

Zhao YINUO glared at him and turned to leave.

"Why are you going? Don't go, I haven't hugged enough yet." Gu Wang leaned gently beside Zhao YINUO's ear, blew a hot breath, and said immediately.

After the two were tired and crooked for a while, Zhao YINUO started talking to him about the business and asked, "Hey, do we want to take Liangliang over?"
