

Chapter: 3094

This girl is obviously a rich second-generation, and she is not short of money at ordinary times, why is she thinking about how to make money every day now!

Zhao YINUO shook his head and sighed.

“Enoch, don’t laugh at me.” Suddenly, Sophie changed her style and said suddenly.

joke? Joke what? Joke about her making money on her own?

“What are you talking about, how can I laugh at you?”

“Well, in fact, I just want to prove to my father that even if I lose my memory, even if my health is really bad, I can still be independent and earn money to support myself.”

What Sophie said was so serious and so serious.

In an instant, Zhao YINUO understood everything, and her promise to Sophie was gradually being realized.

“Yo, are you two really opening a gourmet restaurant?” Zhou Yang asked as he walked over, with a very gossipy expression.

“Eat whatever you want, take whatever you want, I’ll give you a 50% discount, eat it with confidence!” Sophie pointed to the food made by Zhao YINUO next to her, and hurriedly said.

50% off? It’s too hard, isn’t it? We are all good friends, how can we talk about money?

“What about money? Talking about money hurts feelings.” Shangguan Nana said deliberately, eating the delicious food next to her, looking very satisfied.

“Hey, hey, let me tell you, remember how much you ate tonight, 50% off! It can’t be free! After all, this is what Zhao YINUO worked hard to do, so you have to give it a little bit.” Sophie said embarrassedly.

All of a sudden, everyone around laughed.

The story of Zhao YINUO’s opening of a gourmet restaurant has almost spread all over the streets, and that Tianxiang should naturally come over to congratulate her politely.

“Hey, he’s here.” Sophie said excitedly, holding Zhao YINUO’s shirt tightly.

what the hell? Who is here? Zhao YINUO raised his head and looked at the person walking slowly not far away with a very indifferent expression.

That’s right, it’s Tianxiang.

Isn’t he just an ordinary man. As for the fact, there are many more handsome men in this world than Tianxiang. For example, Gu Wang, why did Sophie Fei fall in love with that stinky man?

Zhao YINUO shook his head and did not react at all.

“Enoch, congratulations.” Said, Tianxiang walked straight to her, and put the flower in his hand on the table beside him.

Sophie squatted down and smelled it, um, it was really fragrant.

“This flower is so fragrant.” She stared at Tianxiang in front of her and said with a smile.

Tianxiang just smiled, ignored her, continued to look at Zhao YINUO and asked, “Well, are you tired? Or take a break...”

“Enoch is not tired, she is busy and doesn’t have time to talk to you, why don’t we talk?” Sophie said bluntly.

A few people next to her were surprised when they heard what she said.

Is it a bit too obvious to be so open and upright? Shangguan Nana took off her sunglasses and carefully observed everything in front of her.

“Hey, do you like him?” Shangguan Nana walked over slowly, patted Sophie on the shoulder, and asked gossip.

Suddenly, Sophie’s cheeks flushed a lot.

All of a sudden, Shangguan Nana fully understood, this girl is still shy! She took Sophie’s little hand and walked straight ahead.

“Hey, let me tell you something, our family Sophie likes that Tianxiang, we have to think of a way.” Shangguan Nana said deliberately, she didn’t discuss this matter for Sophie, that’s right, She is purely for Zhao YINUO.

If Tianxiang really gets along with Sophie, then there should be no more accidents between Zhao YINUO and Gu Wang, but I don’t know what Tianxiang is thinking.

The person in front of you look at me, I look at you, with a somewhat embarrassed expression.

Yes, firstly, they are not familiar with Tianxiang, and secondly, they don’t know this Sophie, how can they lead them? Besides, Tianxiang’s good deeds have always been his own decisions. It is estimated that women like Sophie Fei should not look down on him.
