free? When did he say that he would invite these classmates to dinner for free?

Liangliang raised her head and looked suspiciously at Sophie in front of her. She was very puzzled. Sophie just waved at him and motioned for him to shut up.

“It’s free, Liangliang, co-authoring with you is to surprise us.”

“Yes, Liangliang, are you too powerful?”

Several children shouted excitedly, and the topic was immediately diverted.

Looking at the group of classmates in front of him, Liangliang just smiled awkwardly and didn’t say much, and Zhao Yinuo, who was in the back kitchen, had already seen all that, and felt very sorry.

Treating guests to dinner is so-called. The important thing is that Liangliang’s self-esteem at this time must have been suppressed.

After a group of children finished eating, it was already dark. After seeing off the classmates, Liangliang hurriedly ran into the back kitchen, staring at the mother in front of her, feeling very uneasy.

“Well, what happened today is my fault.” The child lowered his head and said softly.

What’s the point of saying this? She has seen this kind of thing a lot, and naturally she won’t take it to heart easily, but she has wronged the child.

“Liangliang, do you feel wronged?” Zhao Yinuo squatted down, gently stroked the child’s hair, and asked immediately.

Wronged? What is there to be sorry for? As long as their family is safe, smooth, and healthy, no matter how much grievances he suffers, he won’t say a word.

The child shook his head at her, indicating that he was not aggrieved at all.

In the front hall, Sophie had been busy cleaning up the table, and she didn’t want to tell Zhao Enuo what happened before. She knew that sometimes, it would be better to rot in her stomach when she shouldn’t say it, but the truth is, Zhao Enuo Enoch had seen the whole thing going.

“Feifei, thank you so much today for helping Liangliang.” Zhao Enuo said to her cautiously.

Suddenly, Sophie put down the tool in her hand, looked up at her, and smiled slightly.

“How about you invite me to dinner?”

All of a sudden, Zhao Yinuo breathed a sigh of relief. She thought that this woman was going to talk to her again, but she didn’t expect such a result.

Inviting guests to dinner is naturally no problem.

“Come, what do you want to eat? I’ll make it for you.” With that said, Zhao Yinuo was about to get busy.

“Don’t!” Suddenly, Sophie stared at her and shouted loudly.

Ok? what’s the situation? Hasn’t she always liked to eat her own dishes the most? Zhao Yinuo looked at the person in front of him with a puzzled look.

“Your son spent so much money for dinner today, so of course you should treat me a lot.” Sophie raised her chin slightly, pretending to be very proud, and shouted loudly.

This girl, why are these ghost thoughts! Zhao Yinuo nodded helplessly, took her little hand and was about to leave.

Of course, this is not the end. In order to cooperate with Zhao Yinuo, Sophie actually picked up her mobile phone and called Shangguan Nana, Zhou Yang and Li Ling respectively.

Suddenly, there were many more people in the hot pot restaurant.

“Yoyo, I heard that someone invited a guest to dinner!” Shangguan Nana said as she ran over.

“Yeah! Our sister Enoch heard that everyone has been very tired recently, so she wants to invite us to dinner.” Sophie responded deliberately.

Well, let her go, as long as she is happy, Zhao Yinuo shook his head helplessly.

That’s right, it’s a women’s dinner.

At this time, Gu Wang was sitting in front of the desk in the office, constantly flipping through documents, looking very busy and serious, while Bobcat was holding the child and coaxing and teasing, looking a little clumsy.

Ling Chen was discussing work with Shen Jue, and she didn’t know what Li Ling was doing at this time.

Yes, they didn’t tell the men the news of the dinner together. In the box, the women kept talking and laughing, looking very excited until dawn.
