

Chapter: 3100

“Let her rest for a while.” Tian Xiang suddenly raised his head, looked at Sophie in front of him, and hurriedly said.

After some remarks, Sophie became even more angry in her heart. What, with his heart, there is only one woman, Zhao Yinuo? It's not fair at all!

Judging from the current situation, she had already lost this battle before she even started, although Zhao Yinuo did not participate in the war.

“You go by yourself!” After saying that, she turned around and left.

What happened to this girl? Why are you so angry all of a sudden? Tianxiang looked at the departing back and shook his head.

Woman, she is really fickle, maybe she will be in a bad mood at some point.

Tianxiang attributed this to the fickleness of women, and didn't pay too much attention, then he immediately got up and walked to the back kitchen.

Sure enough, Zhao Yinuo was still busy, with beads of sweat all over his forehead.

“I see you, don't work too hard, just rest for a while.” Said, Tianxiang walked in directly, picked up the tissue next to him, and wiped the sweat for Zhao Yinuo.

Oops! Why did he come in suddenly? What about Sophie? Zhao Yinuo looked at the front hall outside, very nervous.

“Hurry out! Hurry up! Get out!” As she said that, she pushed Tianxiang out.

what happened? Why is she in such a hurry? Tianxiang looked at her displeasably, feeling a little unhappy, and all this was seen by Sophie, who was not far away.

It seems that this Tianxiang really did not let go of Zhao Yinuo, so he would have no chance of winning. She sighed, half-squinted her eyes and looked out the window, very sad.

Why is God so unfair? Gu Wang likes her, and Tianxiang likes her too! How come no one likes you? She scratched the back of her head, her eyes very sad.

“What's wrong? Sad? Are you lost in love?” Suddenly, Tian Xiang came over, tapped her little head lightly, and asked playfully.

Xu Shi was already a little familiar with her, so naturally Tianxiang wouldn't be as unfamiliar with her as before.

“Why are you, really.” Sophie ruffled her hair, muttering unhappily.

Yo, what happened to this girl? He stared at the person in front of him carefully, very curious.

“Don't you like Zhao Yinuo? Go find her! Why come to me.” Sophie continued to mutter.

With that said, who said he couldn't find her? Besides, Zhao Yinuo is now all thinking about Gu Wang, how can he still care about himself? Just now he went to the back kitchen to see her, and she still wanted to avoid suspicion, so she might as well come here to chat with this girl.

“Hey, what's wrong with you? Did someone bully you? Tell me, I'll take care of him for you!” Tian Xiang said righteously, and then patted his chest.

Pull it down! Who would bully her Sophie? Who dares to bully her Sophie? She turned her face away and stopped looking at the person next to her, for fear that her mind would be seen through by him.

“Yo, you still don't want to talk to me?” Tian Xiang scratched her head lightly and said jokingly.

It's strange to say that Tianxiang usually has a cold expression no matter at work or in life, but in recent days, whenever he sees this Sophie, he wants to tease her.

Maybe he didn't realize it himself, but he already had some ideas about this Sophie.

And this scene happened to be seen by Zhao Yinuo.

It seems that these two really have a show! There was a satisfied arc at the corner of Zhao Yinuo's mouth.

“Oops, Tianxiang, you are not allowed to fix my hair!” Finally, Sophie shouted loudly, as if she had exploded.

“It's alright, you can tidy it up later.” Tian Xiang next to him said while continuing to order, and he didn't mean to give up at all.

How can this stinky man have such a hobby? Sophie was a little angry.

“You stop for me! Tianxiang!”
