

Chapter: 3101

In this way, two adults are like children, and you chase after me.

Although the front hall was so busy, but seeing the two of them so sweet, the guests couldn't bear to disturb them, they just silently put the meal money on the table and left.

"Oh, I still have to greet customers!" Suddenly, Sophie shouted as if she suddenly remembered something, and then ran back to the store immediately.

Looking at the playful back, Tian Xiang smiled unconsciously.

Strange, why see her so happy and relaxed? no! Must be modest! He immediately sorted out his emotions, became cold and cold, and slowly walked into the gourmet shop.

"Okay, the guests are very conscious, put the money on the table, and you can just accept it." Zhao YINUO in the back kitchen shouted, looking very relieved.

Blame that Tianxiang! If it wasn't for that stinky man, why would he leave the gourmet restaurant without permission? Sophie turned around and stared fiercely at Tianxiang who walked in, a cold light flashed in her eyes.

"You, you are not allowed to come here again!" She pointed to his nose and shouted.

Don't bother! If he doesn't come, how can he chase after her? Zhao YINUO hurriedly put down the tools in his hand and ran out in a hurry.

"What are you doing?" She immediately patted Sophie's arm and asked in a low voice.

how? Is she still reluctant? Sophie bit her lip and looked at the person in front of her, even more angry in her heart.

Tian Xiang, who was on the side, saw this scene. Although there was no disturbance on the surface, he was very nervous. What nonsense is this stinky girl talking about? If he doesn't come, who will play with her?

Thinking of this, Tianxiang smiled inadvertently, his eyes were full of tenderness, and even when he looked at Zhao YINUO before, he had never been so tender.

"Stop making trouble!" Zhao YINUO immediately pushed Sophie's body and said quickly.

"I didn't make trouble, Enoch, look, he always teases me and delays me making money." Sophie murmured softly, looking very aggrieved.

Suddenly, Tian Xiang burst out laughing.

"Tell me, how much money did I delay you earning today? I'll give it to you!" Tianxiang took out his wallet.

Seeing such a harmonious and warm scene in front of him, Zhao YINUO smiled, thinking about it, the two of them could chat.

Gu's.

Gu Wang was sitting on the sofa, thinking about something, and Zhou Yang and Bobcat next to him also looked very excited.

"What's wrong?" Ling Chen and Li Ling asked in a low voice as they walked in.

"You called us here early in the morning, what happened?" Ling Chen asked immediately.

This is not Gu Wang's style of doing things. Li Ling looked suspiciously at the people around her with a curious expression.

After a while, Shangguan Nana and Shen Jue also came in, only Sophie and Zhao YINUO did not come, oh, yes, and that Tianxiang!

At this time, the three of them were playing non-stop in the gourmet restaurant.

"That's right, I plan to propose to Zhao YINUO again this week." Gu Wang looked at the person in front of him and said lightly.

Yes, the last marriage proposal was screwed up by that Tianxiang. Not only was Zhao YINUO dissatisfied, but he couldn't get over it in his heart. Now, when he learned that Tianxiang and Sophie were having a scene, he had this idea again. Men shouldn't make trouble anymore, right?

And how could they know that Tianxiang was ready to confess to Sophie at this time.

"What's the situation, you guys?" Suddenly, Tian Xiang walked in directly.

Why is he here? Zhou Yang carefully looked at the person in front of him, and was very puzzled. Shouldn't he be busy working in his own company?

Gu Wang just smiled lightly and didn't say anything. He must have come from a gourmet restaurant, right? In the past few days, Gu Wang has been listening to Zhao YINUO's chatter, saying that this Tianxiang often goes to the gourmet restaurant to play with Sophie.
