“Well, what are you planning?” Tian Xiang sniffed and asked embarrassedly.

“What’s your business?” Suddenly, Shangguan Nana shouted unceremoniously.

All of a sudden, the surroundings were quiet.

Gu Wang slowly got up and walked in front of them, a playful arc evoked at the corner of his mouth.

“Okay, don’t target him, Tianxiang, you should come to me this time for Sophie, right?” Gu Wang said gossip.

Tianxiang scratched the back of his head, his expression very embarrassed.

All of a sudden, the people in front of them all understood, is it because Tianxiang fell in love with Sophie? How wonderful! Zhao YINUO is finally out of trouble!

Li Ling looked at the situation in front of her excitedly and was very satisfied.

In fact, Tianxiang is indeed a good person, but because his past feelings are overwhelmed, sometimes he will do things he shouldn’t do because of impulsiveness.

“So you like Sophie? Well, Brother Gu Wang, on the day you propose to Sister Enoch, you can make him confess to Sophie.” Shangguan Nana suddenly shouted loudly.

All of a sudden, the surrounding is lively, yes, this is the best of both worlds.

Several people discussed it again, and then quietly dispersed.

Soon, the weekend came, Zhao Enuo and Sophie were still busy in the gourmet restaurant, and they seemed to have no idea what was going to happen next.

“Oh, Feifei, hurry up, hurry up, the guests have to wait.”

“I know, I know, don’t rush, I’m busy here!” There were suddenly so many people in the front hall, and Sophie was indeed too busy by herself.

“Hey, we’re here to help!”

“Yeah, I knew you two couldn’t be busy in this store.”

Soon, Shangguan Nana, Zhou Yang, and Li Ling all came.

Looking at the faces in front of them, So Feifei and Zhao YINUO felt very curious, how did they come together? Maybe there is something to discuss.

Soon, the men also came in.

Finally, the whole gourmet restaurant became orderly.

Two hours later, one after another, all the guests left, So Feifei and Zhao YINUO sat slumped on the sofa in the corner, looking very tired.

“Hey, we are planning to go to the beach, are you two going?” Shangguan Nana gently pushed Zhao YINUO’s arm and hurriedly asked.

go to what? I’m almost exhausted!

“I want to sleep.” Zhao YINUO raised his head and replied coquettishly.

Several men beside him looked at Gu Wang, and there was a hint of loss in his eyes.

“Well, I can go to the beach to sleep.” Suddenly, Zhao YINUO shouted loudly.

“What? Zhao YINUO, are you crazy? Where are you going to sleep at the beach? I’m almost exhausted! I’m not going, I’m going to go by yourself!” Sophie on the side said bluntly.

“Hey, what are you doing, I’m not going...”

Before she could finish speaking, Sophie was carried directly into the car.

“Zhao YINUO! I love you! Marry me!”

As soon as he arrived at the beach, Zhao YINUO saw everything that was warm and romantic not far away, such as cute balloons, charming candles, intoxicating roses, and the wonderful lights around.

And, that beloved man.

All of a sudden, Zhao YINUO was moved, why didn’t they tell them any news! She touched the moved tears on her face and hurriedly threw herself into Gu Wang’s arms.

“Will you marry me?” Gu Wang knelt down on one knee and presented the ring in front of her.

“I do.” She replied movingly.

No one disturbed this time, and the audience was full of blessings.

“I’m so envious!” Sophie, who was not far away, clasped her hands together, looking at the two of them madly, with a gleam in her eyes. It would be great if someone could confess to her in such a romantic way! Sophie blinked her eyes with admiration.

“Sophie! I like you!”

Suddenly, a familiar man’s voice came from behind.
