

# Chapter: 3106

After Li Ling, Zhou Yang, and Zhao YINUO heard her voice, they immediately raised their heads, looked not far ahead, and smiled.

Yes, even Zhao YINUO didn't know that it was all planned.

In an instant, the wedding march suddenly sounded.

"President Gu, everything is ready to start." A young man ran over and hurriedly said to Gu Wang.

Gu Wang nodded to a few people next to him, then took Zhao YINUO's little hand and left slowly.

"What are you doing? Where are you going? Oops, slow down!"

At the scene, only Shangguan Nana was the most noisy.

"Hey, what about Feifei? Where did she go?" Zhao YINUO suddenly turned around and asked Gu Wang who was beside him.

"Don't worry, she and Tianxiang came last night." Gu Wang hurriedly replied softly.

In the dressing room, a few women began to make some arrangements.

"Boom!" Suddenly, the bell outside rang.

Several women hurriedly sorted out their wedding dresses and then walked out.

Zhao YINUO, Shangguan Nana, Zhou Yang, Li Ling, Sophie, a few women stood on the stage together, very beautiful.

The men under the stage looked dumbfounded one by one, but they were very excited.

"Grooms, you are willing to marry the bride on the stage." The emcee asked loudly, looking very happy.

"Yes!" Before the emcee could finish speaking, the bridegroom under the stage couldn't wait to respond. In this way, five couples of newlyweds stood on the stage, making the audience look envious.

Gradually, it got dark, but there was no trace of tiredness on their faces.

"Oh, I want to eat barbecue!" Shangguan Nana suddenly stood up and shouted loudly, not caring about the people around her at all. Suddenly, everyone's eyes turned to her.

Hearing this, Shen Jue immediately stepped forward, took her into his arms, covered her mouth, and smiled awkwardly at them.

"Today is the wedding day, what kind of barbecue should I eat? Be obedient, don't make trouble, hurry up and sit down!" After saying that, Shen Jue pressed her to the beach.

"No! Shen Jue, do you love me or not?" Suddenly, she asked immediately.

"Love!" he replied immediately.

"Then I want to eat barbecue."

Shen Jue looked at the beloved in front of her with a little embarrassment on her face.

On this good day, she actually wants to eat barbecue, what does this make others think? He looked awkwardly at the few people next to him, a little overwhelmed.

"Eat if you want, what's the hesitation." Suddenly, Zhao YINUO said.

Gu Wang turned his face away and looked at her immediately, with a look of doting in his eyes, "Since you want to eat too, let's go eat barbecue."

Gu Wang got up and said lightly. In an instant, everyone stood up and walked to the barbecue grill of the supermarket owner not far away.

"Hey, boss, we want to eat barbecue, can I borrow yours..."

"Of course, today, the bride is the biggest!" Before Shangguan Nana finished speaking, the boss answered directly.

Well, this is the normal behavior of a man. Shangguan Nana patted Shen Jue's arm next to her and raised her chin slightly, a little arrogantly.

"Come on! Celebrate the successful conclusion of our wedding!"

A few wine glasses came together, a splash of joy, everyone lived a happy life, and everything was so complete...

But their story continues...
