

Chapter: 3112

An Yue probably never thought that the opportunity she had waited for so long was so easily delivered to the person she hated the most.

After squatting for a long time, An Ning gently relaxed his waist and wiped the sweat from his forehead with the back of his hand. At the same time, there was a clicking sound in his ear.

“Hey, that little girl—”

Hearing this, An Ning couldn’t help but feel a sour nose.

In the last life, it was Director Wu Fang’s words that caused An Ning to leave this small mountain village.

Director Wu Fang saw the tranquility of washing clothes by the river at a glance.

An Ning wears a low ponytail, and there are a few strands of blue silk around her cheeks, which hang down in a messy manner. Her dark skin looks like a mountain, especially her facial features, which are particularly delicate, but only by the dark skin, covered the light.

Director Wu Fang stared at An Ning and smiled involuntarily. He thought, this time the heroine of the commercial is exactly what I want!

The village chief on the side had noticed the director’s eyes, and quickly blocked the director’s gaze, saying, “Director Wu, that kid can’t do it, look, this one from my family…”

Before the village chief could finish speaking, Director Wu got up and walked behind An Ning. He leaned down fully, “Little girl, what’s your name?”

An Ning had expected it long ago, she turned her head calmly and replied to Director Wu: “An Ning, quiet An, Ning who would rather die than give up!”

“It’s a very good name. Little girl, we’ll be filming a scene in a while, are you interested in staying and watching?”

“Filming? What is that? Can I do it too?”

After he finished speaking, he smiled shyly, showing a puzzled face, still holding clothes in one hand.

…

“Director, this girl is not bad.”

“Ok.”

Behind him, Director Wu Fang and the photographer seemed to be discussing the photos just taken. An Ning knew that she was halfway there. She acted well with the simple eyes of the mountain child just now.

Soon all the girls in the village came over, and even Cai Genhua came along, but she hurriedly grabbed the clothes in An Ning’s hand and shouted, “You come home with me.”

An Yue’s disdainful expression was particularly dazzling. She squeezed among a group of girls and stood in front of Director Wu Fang.

As soon as she finished speaking, she was dragged behind by Cai Genhua who suddenly rushed over. Cai Genhua smiled and said to Director Wu, “Haha, Director Wu, look at this girl in my family, she is not good-looking and has no culture. , why don’t you take a look at my little daughter! An Yue, come here!”

As soon as she waved her hand, An Yue ran over with a smile, her small white face was really endearing. Sure enough, several young people from the city couldn’t look away, staring at An Yue. .

However, Director Wu shook his head coldly: “This can’t be done!”

Hearing this, the smile on An Yue’s face immediately froze, and slowly turned into anger. With tears in her eyes, she stared at An Ning, who was beside her. lap!

An Ning took a few steps back, eyes filled with fog, and looked at Director Wu aggrieved.

“That’s what I want! It’s just her!” Director Wu’s words surprised everyone. An Yue has a sweet and lovely appearance and a pure temperament. The skin is so disgusting!

The village chief hurriedly stepped forward to persuade Director Wu. Taking this time, Cai Genhua turned around and pulled An Ning to the river, threatening her: “Just you little hoof still want to shoot an advertisement? Hurry up and go home, if you rush to grab An Yue , you don’t want to stay in Anjia in the future!”

But how could An Ning leave? Because she missed the casting in her previous life, An Yue entered the entertainment industry earlier than her and gained more resources, but she has been trampled by An Yue for many years…

Director Wu also promoted her back then, saying that if she had known about her in the casting, she might not have been An Yue.
