

Chapter: 3113

So this time, she must seize the opportunity!

Cai Genhua turned around embarrassedly, and glared at An Ning by the way, and An Yue, who was staring at the moon, saw the director helping An Ning to scold her mother, and glared at An Ning even more, his eyes seemed to say, If you dare to rob me, I will definitely make your life worse than death!

Indeed, An Yue would definitely be able to do such a thing. In her last life, wasn't she the one who forced her to death?

How could Cai Genhua do as she wished, the strength in her hand became heavier and heavier, and she even dragged and dragged her to bring An Ning home without anyone noticing.

“Grandma, you hurt me.” Finally, when the director asked the girls to quiet down, there was no sound in the whole scene, but An Ning cried out.

In an instant, all the people looked towards this side, but Cai Genhua still didn't give up at this time, “Oh, I'm sorry, Guwazi is ignorant and disturbed the adults.” As he spoke, he stared at An Ning, trying to drag her away .

Director Wu Fang just remembered that An Ning was not in the crowd and said, “Little girl, come here too.”

An Yue was angry, but An Ning suddenly calmed down, and naturally responded to Director Wu Fang: “Are you calling me?”

With a bit of cowardice, the person has passed by slowly, with dripping clothes in his hand, and halfway through, Cai Genhua took it away as shameful.

“Yes! Little girl, you will be responsible for splashing water on each other in a while. It's not difficult.”

“Well, I will.”

After An Ning responded, An Yue's face was ashen, and she probably never thought that the last chance would be snatched away by a thorn in her eyes.

An Ning was not as happy as he imagined, and seemed to be waiting for something. In her last life, she really caught Director Wu's fancy, but she didn't make it into an advertisement.

The director was about to let the other girls go back first. At this time, a man in a suit and leather shoes suddenly came over, pointed at An Yue and said, “Director Wu, we prefer this child.”

Hearing this, how could An Yue be unhappy, “Director, I can do better than my sister.” The tone was full of coquettishness, and this move has never failed before.

The investor's eyes were fixed on An Yue's body, looking at An Yue's delicate little face, he couldn't wait to salivate.

The people in the group have different views on An Yue, especially Director Wu. Compared with An Yue, who is more delicate, beautiful and star-like, he is more interested in calm and peaceful temperament.

When she just put on makeup, An Yue has been calling the makeup artist all the time. She doesn't have the simple temperament of a rural child at all. On the other hand, An Ning keeps her eyes closed and the whole face is completely handed over to the makeup artist. The whole makeup process is very difficult. smoothly and quickly.

Director Wu glanced at An Ning, who was still tinkering with the makeup artist's lipstick, and couldn't help shaking his head. Originally, in his mind, the most suitable candidate for the heroine of the advertisement should be An Ning, but the investors chose An Ning. Both are used. In this way, the investor is not offended, and the advertising effect is also achieved.

Everyone obeyed Director Wu's arrangement and began to prepare for shooting.

“Come on! The two of you stand in the water, just splash each other!”

The staff took An Ning and Anyue to the river and let them go down the river. Looking at the river, he glared at An Ning fiercely, thinking that what would happen if An Ning ruined her makeup later?

However, she is here to shoot an advertisement today. If she doesn't go to the river, I'm afraid the advertisement will fly away.

Of course, An Ning knew the meaning of An Yue's eyes. She suddenly had a plan and chuckled, “Sister, if you are afraid of getting dirty, you can ask the director to find a substitute. I heard that big stars have substitutes!”

Sure enough, An Yue's eyes lit up, and she thought that she was the heroine of an advertisement, and she must have a substitute, she immediately turned to Director Wu and said loudly, “Director, if water is splashed, I'm afraid that the makeup will be smeared, so let the substitute come. !”
