

Chapter: 3114

However, as a heroine, she was not precious at all, and she dared to ask for a substitute. The anger that Director Wu had been suppressing broke out in an instant!

“Who asked you to put on such heavy makeup! Did you know that the theme of the advertisement is simplicity, mountain village? Take off your makeup immediately!”

Director Wu’s sudden scolding made An Yue stunned for a while. Tears welled up in her eyes immediately, and she turned to look at An Ning angrily, but An Ning put on a look, “I don’t know what’s going on.” expression.

The makeup artist sneered, just now An Yue has been clamoring for eye shadow, blush, and lipstick on her own accord. She is not famous as a big star, but she has the air of a big star. Seeing her making her own decisions, the makeup artist also There was no obstruction, and as expected, he was immediately scolded.

After An Yue’s makeup was removed, the commercial shooting began.

Director Wu personally came to the river and instructed: “The two of you will splash water in a while, as long as you want to do it. Anyyue, when you pour it next to An Ning, don’t splash it on your body, so as not to get sick and affect the shooting process.”

The two girls nodded and started.

“Action!” Director Wu gave an order, and An Yue quickly grabbed a handful of water and poured it on An Ning’s face. Fortunately, the makeup on An Ning’s face was very light, and there was no change after splashing water.

An Yue smiled proudly and kept pouring water on An Ning.

She can’t wait for An Ning to die now! Swept away by the flood! In the matter of the substitute just now, she decided that it was An Ning’s ghost, which made herself scolded by Director Wu! As long as she seizes the opportunity, she will definitely let An Ning live rather than die!

The staff on the side watched this scene, and they all understood in their hearts. After all, they were in the entertainment circle, and the little girl’s mind could also be seen. Everyone’s goodwill towards An Yue’s appearance was immediately consumed. net.

The originally planned shooting time had to be extended to the next day because of An Yue’s actions.

By the end of the filming, An Ning was soaked wet. Standing on the shore, she was completely frozen and unconscious, but she still smiled patiently and thanked the staff before saying goodbye.

After finishing work, director Wu Fang left An Ning on behalf of the investor. It is said that the film and television company where the investor is located intends to sign the two of us.

An Ning knew that she had succeeded, “Me and my sister?” She was the first to ask. In the last life, only An Yue was signed by Shengtian Entertainment, and she was brought out as An Yue’s assistant. rural.

Efforts are not in vain, because of An Yue’s careful thinking, some things have changed.

“What? Is she going to be signed with me?” An Yue was obviously dissatisfied.

Ever since she was a child, she has seen that this elder sister is wrong and that she is better at studying than her. Even if she is pressing this elder sister everywhere, she is still unable to see her eyes. Now that she is going to a big city, she still cannot get rid of this elder sister. An Yue feels uncomfortable.

“Director, how can I sign a contract with my sister like this?”

However, no one answered. Everyone can see what An Yue has done today.

After a while, the investor asked An Yue to talk alone because he had to leave in advance tomorrow.

Back at home, An Yue suddenly remembered what Director Wu said to herself before she came to leave.

“An Ning, the entertainment industry is not as beautiful as you think, otherwise, forget it.”

An Ning shook her head firmly. In her last life, she was useless and was bullied to death by An Yue, but she didn’t get a good result. In this life, the only way to save those who harmed her was in the entertainment industry!

“Director Wu, I want to take a look outside.” An Ning’s eyes were firm, revealing the firmness and simplicity of a mountain child, but also the hatred and deepness of a reborn returnee!

Director Wu sighed: “As long as you don’t get lost, it’s fine, the entertainment industry, it’s not easy to go!” He repeated it again, but in exchange for An Ning’s firmer answer.

“Director Wu, I will definitely come tomorrow.”

Cai Genhua had been at the door for a long time. Seeing that her daughter had not come back, she immediately grabbed An Ning’s arm. Fortunately, An Ning had already expected: “The investor said that my sister has potential and is discussing with her about signing a contract. Just a while.”
