

Chapter: 3126

“Well, I know, thank you Director Wu.”

An Ning is a sincere thanks. I didn't expect Director Wu's agreement to be so sudden, and there is a feeling of suffering.

She finally let go of the heart that she was holding, and she still understands the truth that a director can only create a good work with strictness.

Early the next morning, An Ning went to work with her limping legs. Although Tang Qian was reluctant yesterday, Sister Luo definitely won't allow Tang Qian to give up in this drama.

To be honest, there are not many young audiences for films with positive energy in the urban workplace, but Tang Qian needs such a positive energy image. It can be said that Sister Luo's eyes are very vicious. She knows what an artist needs most.

In her last life, An Yue grew up under Sister Luo's step-by-step guidance, and there were several crises in the middle.

Sure enough, when An Ning arrived at the company, Sister Luo and Tang Qian were gone. An Ningle was at ease, and together with Xiaodong, she sorted out the things she needed to join the group in advance.

“An Ning, have you thought about filming yourself?” Xiaodong asked during the break. It was also true, they all saw clearly that there was no way out for them to follow Tang Qian.

“Well, but now is not the time.”

“Take it easy.”

At noon, as soon as An Ning and Xiaodong came out, they heard a high-pitched voice.

“Things with shallow eyelids are just a bad endorsement!”

Fan Xiaoting seems to have lost an endorsement, so she kept scolding Yu Meng, and Yu Meng's eyes were red.

Because it is in Shengtian Building, the temperament that the artists should have is not restrained, and Xiaodong does not speak. This kind of situation is too common, and An Ning also came here before.

The difference is that An Ning, this little girl, can comfort others even when she is scolded, so Xiaodong gradually helps An Ning to some extent.

After Fan Xiaoting left, An Ning went over, “It's alright, it's all over like this, you'll learn more.”

She didn't say anything, but she still saw gratitude in Yu Meng's eyes.

Tang Qian came back with Sister Luo. Sister Luo seemed to be in a good mood. As for Tang Qian, she was not so easy to talk about. She had a dark face and even pulled her face with David.

“Where did you get lazy in the morning?” Tang Qian glared at An Ning, just to let go of her anger.

Only then did Sister Luo see An Ning next to her, a strange look flashed in her eyes, and then she took out a stack of documents from her handbag and suddenly said, “By the way, An Ning, you have an audition tomorrow, so hurry up and prepare today.”

“Audition? Just her?” Tang Qian's face was full of disdain: “A country girl, what can she play?” She took the documents in Sister Luo's hand.

“The framing of the heroine was discovered, but she refused to admit it?” Tang Qian read the script, and a good-looking smile appeared on the corner of her mouth: “Is she acting as the villain? , Sister Luo, I will join the group in two days, and there will be no shortage of people around me.”

Tang Qian was still unconvinced and played a small temper towards Sister Luo.

“Sister Qianqian, everything with the group has been packed.” Xiaodong said.

“Well, in the group, David and Xiaodong are in charge in advance, and we will wait until An Ning finishes the audition tomorrow.” Sister Luo made a final decision and ignored Tang Qian's unreasonable request.

In fact, Sister Luo herself is also puzzled!

On the condition of Anning, she would not take the initiative to introduce the resources. Today's audition opportunity is still called by the director of “Peerless Beauty” and personally nominated. Of course, Sister Luo will not refuse, but she can't figure out where Anning came from. resource.

“Thank you, Sister Luo, for remembering me.” After Tang Qian finished making trouble, An Ning sincerely thanked her. Of course, Sister Luo also knew that this opportunity was not given by her.

“Hmph, it's just you? Can you act? It's a shame to go.” Tang Qian hummed her nasal voice and walked away arrogantly. An Ning found that David's eyes began to sharpen again.
