

Chapter: 3135

When he heard this, An Ning knew that it was probably his turn to be unlucky again. There were many kinds of substitutes, but such an opponent's scene usually had a full-body effect. In fact, Tang Qian's face would not be photographed at all, so he changed his body shape. Similar to others.

Sure enough, Tang Qian pointed to An Ning and said of course, "Don't you like acting? Come on."

"Sister Qianqian, this is not good, An Ning is not a professional actress." Xiaodong became anxious as soon as he heard it. Xiaodong could see what happened just now. When it comes to Yang Qingfeng, Tang Qian will After pouring out the nail polish remover, Tang Qian was obviously not relieved.

"Not a professional actor? Even an assistant can take on the show, but she's still modest? Come here." Tang Qian was also not angry. In such a case, Tang Qian instructed her assistant, and others would naturally not talk too much.

An Ning was helpless, everyone was waiting for her, Tang Qian was putting pressure on her, and she also pinpointed that An Ning would not dare to turn her face in such a public place.

"Xiaodong, I can act." An Ning responded.

The director motioned for the makeup artist to apply a little makeup to An Ning and put on a coat.

An Ning walked to her own position. Fortunately, the artist on the opposite side was not bad. She lowered her head and said, "I'm sorry, you will turn your head when I'm playing."

Then, with the director's "action", An Ning threw himself into acting.

"Sorry, I'll change it now."

"Change now? Why did you go earlier?" The actor opposite was furious.

Following this line, the sound of a slap hitting An Ning's face, An Ning fell to the ground, but fortunately, the actor opposite should also have experience, the voice is loud and the movement is small, and it is not as serious as it sounds.

"Okay." The director stood up and shouted, and was very satisfied with the scene in the picture, "Okay, pass, the next one—"

The days passed quickly. After living in a dwelling for more than a week, it was finally time to join the group. The injuries on An Ning's face were basically invisible.

Because "Peerless Beauty" is not considered a small production, the expected production time of the crew is eight months, which means that An Ning will spend most of the next six months in the crew.

However, An Ning was very satisfied with this arrangement. With these eight months, he could at least temporarily escape from Tang Qian. By the time she came back, she basically had her own strength.

After packing up the things that she was going to use with the team, An Ning just saw An Yue coming back at the door. There were a few people behind her. She was followed by Zheng Tao, her manager from the previous life. The feeling of the stars over the moon.

An Ning hasn't paid attention to An Yue's situation these days. She really thought that since An Yue's audition failed last time, Sister Luo's expectations for her have dropped.

Looking at this now, I am afraid that the past few days have been good.

"Sister, you rest first, we'll clean up."

An Yue was not polite at all, but after seeing An Ning packed up and ready to move out, a trace of resentment flashed in her eyes, but she quickly subsided.

"Sister is going out?" An Yue changed her tone even when she spoke to An Ning. It seemed that Zheng Tao, an agent, did have two brushes.

Since An Yue's last audition failed, Sister Luo has arranged several auditions for An Yue, which can be regarded as a gain. Now, An Ning is considered a little famous among emerging artists. No, the audition for "Peerless Beauty" just failed. , Sister Luo can quickly arrange a new job for An Yue.

"Yeah." An Ning just responded and went out with his belongings. Behind him was Zheng Tao's voice asking who An Ning was.

Because in the suburbs of another city, it can be regarded as a relatively large shooting base. An Ning doesn't pay as much attention as An Yue, nor does she like Tang Qian. There are assistants following her when she first entered, so she contacted the car in the past. Fortunately, in addition to Qin Chuzhi's Director Qin, there are several field makeup artists. , no one else has arrived yet.
