

# Chapter: 3143

Of course, An Ning wouldn't believe it, nor would she be so stupid that she thought the director Zeng came to talk to her about the script so late, but she couldn't afford to offend the assistant director.

Of course, in the entertainment industry, it is not uncommon to direct actresses with unspoken rules.

Even some actors voluntarily devote themselves to the director in order to get more scenes or more perfect shots, so it is said that the entertainment industry is mixed, of course, An Ning is not such a person. It wasn't in the last life, and it won't be in this life.

The current situation is that An Ning can't afford to offend this Director Zeng, and he will never wrong himself, so he has no choice but to open the door. A small horn is enough for Zeng Yuan to speak.

"What's the matter with the director? You can just say it here. The house is a little messy, so I won't invite you in." An Ning apologized, and through the crack of the door, he saw Director Zeng staring with a stern expression on his face. I want to see my inner beauty through my pajamas.

An Ning's refusal was obvious, but Director Zeng didn't mean to leave. He put his trousers in his hand, looked around, and said, "Hey, An Ning, if this matter is for a while, if he puts it on tomorrow, he will definitely do it. Delay the shooting, you see, it's very cold outside, so I'm wearing a short sleeve, why don't you let me in first, hehe."

An Ning had no choice but to open the door a crack, handed a piece of clothing to Director Zeng, and said, "Director Zeng, I'm really uncomfortable, or you should go back first." After speaking, she was about to close the door Lock it up.

Director Zeng first grabbed An Ning's wrist: "Hey! An Ning! Don't be funny, I still have the right to speak in the crew, especially if you are a supporting role, the director won't care about you, I can change the role at any time. , no one will say anything!"

"Persuading with good words" is no good, Zeng Dao has turned into coercion and inducement, An Ning of course understands the consequences of offending this Zeng Dao.

An Ning worked hard to get his hand out of Zeng Yuan's arms. Seeing that tonight the assistant director is no longer seeing the rabbit, An Ning can only tear his face with this director Zeng: "Director Zeng, please respect yourself, or I will call someone."

"Okay, I know what you're thinking. There's no one outside now. When the trouble gets bigger, you'll be embarrassed to let me in."

An Ning did not speak, and took a half step back.

"Don't be shameless, I can come to you for your face, open the door for me." Director Zeng obviously didn't expect An Ning to reject him.

She is a newcomer without any background, and offended Director Zeng, I am afraid that she will not be able to get along in the entertainment industry in the future.

But in her last life, she had suffered from these unspoken rules. In this life, would she have to experience it again?

impossible!

"Thank you Director Zeng for your concern. If it's work, I'll talk about it tomorrow. If it's a personal matter, I really can't stand Director Zeng's love. See you tomorrow, bye." After that, An Ning closed the door tightly.

Directly Zeng's angry scolding came from outside the door: "Cut, it's just a bus. Yang Qingfeng can get on you, but I can't get on? Hehe, what are you pretending to be arrogant!"

Obviously, Deputy Director Zhang did not give up, but An Ning felt a little angry after hearing this: "The director also asks you to respect yourself, I have nothing to do with Yang Qingfeng. It's getting late, you should go back to rest early. Bar."

"Why don't I want to open the door today, if Qin Chuzhi would have greeted him on the bed with his legs open?"

It is well known that Director Qin and Deputy Director Zhang have a bad relationship in the crew.

"The assistant director also asks you to be more respectful. I'm not the kind of person you think." Zeng Yuan pressed hard against the door outside the door, and was about to lean in, so his eyes stared straight at An Ning.

After thinking about it, An Ning knew that Zeng Yuan had been offended and convicted today. After exhausting all his strength, he finally closed the door, closed it quickly, locked the insurance, and after a series of actions, An Ning leaned against the door for a long time and couldn't calm down.
