

# Chapter: 3153

Just like in a previous life, An Yue took away Cheng Hao!

But... An Yue's appearance is already at a level that makes men fascinated, and she can't even match her, how can she expect An Tianxiang to like her?

After all, An Tianxiang just rejected a beauty like An Yue ruthlessly!

Even if An Ning told herself over and over again that it was impossible, the thought of taking An Tianxiang away was like a maggot, attached to her mind, making it hard for her to forget it. thinking.

In the self-mockery over and over again, An Ning finally put down this absurd idea and went to sleep, but the next day, God seemed to be teasing An Ning again. It gave her another ray of hope.

After filming her part, An Ning sat down on the bench to rest. As soon as she sat down, she heard a voice, "Just played well."

Deep and magnetic, An Ning turned her head and found that the speaker was actually An Tianxiang!

Strangely, although An Tianxiang was complimenting her, his eyes were fixed on Lin Keke, who was playing opposite, which made An Ning a little unsure who he was complimenting.

"Um... Mr. An, what are you talking about?"

"Tell me." An Tianxiang turned his head to look at An Ning at this moment.

The surprise was mixed with nervousness and anxiety. All kinds of emotions were mixed together, but Anning turned them all into indifference: "Well, thank you."

At this time, An Ning was already excited, but he kept telling himself that maybe this was just a random sentence from An Tianxiang.

"How come, you just ask casually, at least you can get a sense of existence..."

An Ning only felt that his head was dizzy, and then: "Mr. An, a busy person like you still likes to watch the actors play?"

"Yeah." Unexpectedly, An Tianxiang responded quickly, but he also blocked An Ning's remaining words, and he couldn't answer at all.

After a while, An Tianxiang stood up suddenly. Although Director Qin saw it, the scene had just begun, so he could only shout at An Tianxiang, "Mr. An, are you leaving?"

"Yeah." An Ning found that An Tianxiang's words were like gold.

"Well, it's almost there, that... An Ning, go and help me deliver Mr. An." Director Qin shouted at An Ning again.

An Tianxiang took another look at the actors who were in the opposite play, and he had already taken a step. An Ning then reacted and quickly followed, saying that he was sending Mr. An, but he was just walking in tandem. An Ning didn't dare to look boring anymore. .

However, An Ning's prayers didn't seem to have any effect. When passing by An Yue's studio, An Yue, who was shooting an advertisement, saw An Ning behind An Tianxiang at a glance!

An Yue's original admiration for An Tianxiang was instantly full of murderous intent, and she really wished she could rush over and screw An Ning's head off on the spot!

At that moment, An Ning only felt that her heart was filled with hatred, what is this, what she saw in her previous life was too much.

No, she wanted An Yue to experience the pain of her previous life, An Ning thought so, her body was out of control, she didn't have time to change her shoes, the high-heeled horseshoe shoes and the stones under her feet, An Ning suddenly moved forward. fell over.

An Tianxiang didn't seem to have thought of this change, but he shot very quickly and directly supported An Ning. From An Yue's point of view, he just saw An Ning nesting in An Tianxiang's arms.

Sure enough, An Ning saw An Yue get up straight from the corner of her eye, her face extremely ugly.

An Ning only felt a lot of joy in her heart, even more comfortable than winning five million.

"Are you alright?" An Ning's fall was true, but Lai was in An Tianxiang's arms, and he didn't react until An Tianxiang spoke.

"Ah, I'm sorry, thank you Mr. An." An Ning hurriedly left An Tianxiang's body, but unexpectedly saw a blush on An Tianxiang's face.

But he quickly retreated, and his expression returned to deserted: "Go back."
