

Chapter: 3164

Hearing Xiaodong complimenting herself like this, An Ning touched her nose a little embarrassedly. From the last life to the present, except for the affirmation given to her by Director Wu, only Xiaodong would evaluate herself like this.

She swears that she will do her best, and all those who looked down on her and who hurt her will be trampled under her feet.

“Haha, then I really have to borrow your auspicious words.” An Ning was half-joking, hiding the emotions in his eyes without a trace.

Early the next morning, Xiao Dongfeng resigned from Tang Qian in a hurry. When she described Tang Qian’s angry face to An Ning vividly, both of them couldn’t help laughing.

After all, Xiaodong has endured for so long, this is the first time that Tang Qian has been embarrassed.

“So what are your plans now?”

It was almost noon when they came out of Shengtian, and both of them were a little hungry, so they simply ate at the roadside restaurant.

At the dining table, Xiaodong thoughtfully rolled the pasta on the plate with a fork, and hesitated for a long time before asking the question in his heart.

An Ning knew that Xiaodong didn’t mean to urge her, so she took a sip of milk tea and chuckled: “The most urgent task is to move, of course, I don’t have many things in danger, I just need to find a place to live.”

“What’s the problem? It’s better if you live with me.” Xiaodong smiled and didn’t care, suddenly, she seemed to remember something, and the conversation changed, and she was a little embarrassed: “It’s just that the house is a little old. ,if you do not mind.....”

To her, Xiaodong’s invitation was completely just in time, so An Ning wouldn’t mind, she waved her hand, snapped her fingers happily, and showed gratitude: “I won’t mind at all! Xiaodong, you are my savior! ”

When An Ning said this, Xiaodong scratched her temples a little embarrassedly. She put down her fork, wiped the grease from her mouth, and shook her head with a smile: “Don’t say that, we’ll move when we’re done eating.”

“Okay!” An Ning nodded and quickly finished the last bit of pasta on the plate.

After packing up last night, An Ning’s things were too late to take away his luggage and put it in the security room downstairs in the dormitory, not knowing where to go.

However, today, she had already found a place, and brought Xiaodong to take the luggage together. The old man in the security room enthusiastically helped her to bring it out, which made An Ning feel once again that leaving Shengtian was a very correct move. decision.

At least there will be no one who is more ruthless and indifferent than them.

The two came out of the security room and were about to leave Shengtian’s dormitory. While waiting for the car, they turned around inadvertently, but saw An Yue and his manager Zheng Tao coming out of the elevator together, who were following behind them. Several men, carrying large and small luggage.

The two were halfway across the hall, and An Ning didn’t want to pay attention to her, but at this time, An Yue’s eyes had already swept over.

The eyes of the two collided, the sound of Li Gao’s heels rattled, An Ning had a cold expression, calmly watching An Yue standing proudly in front of him.

“Hey, isn’t this my sister? Finally get out of here?”

The words were mean, An Ning was used to it, she raised her eyelids in annoyance, and glanced at An Yue’s laurel-like face.

“Looking at your appearance, this is also the fuck out?” An Ning raised her chin, looked past her, and landed directly on An Yue’s luggage, large and small, with a mocking tone.

As soon as these words came out, An Yue’s face changed suddenly, she gritted her teeth and stomped her feet, scolding sharply: “What is my identity, what is your identity! An ugly girl like you can only pack up and leave, and I, announce It’s time to move to a high-end apartment! It’s a place where the company’s famous people are qualified to live, and you can’t go there in your life!”

Hearing An Yue’s words, An Ning’s expression was calm, as dull and tasteless as boiled water, she glanced at Zheng Tao’s eyes, and hummed softly: “Really, the high-end apartment is very good, presumably at this time, Tang Qian also knows, I think your house will be very lively.”
