

# Chapter: 3168

“What’s your purpose?” Qiwei went through the peaceful things in his mind, but he didn’t think of one thing, there was an intersection between the two.

Qiwei couldn’t think of it, but Anning knew.

In the last life, she once helped Qiwei once. It was at An Yue’s press conference. He was disgusted by An Yue for walking some gossip about An Yue. Therefore, Li Yue reprimanded him in front of all the reporters at the scene. He was killed, and the security guards kicked him out.

How could a man endure such humiliation? An Ning, who happened to pass by, saw his pale and embarrassed face, so he pretended to be enthusiastic and greeted him, driving away those sneering gazes for him, and even invited him to a potluck with him.

In the end, it was just a whim of hers, but a year later, Qiwei gradually became famous and once reminded her to be careful with the people around her, but she ignored those words because of her naivety.

Now that I think about it, at least someone tried to save her before, but unfortunately, she loved Cheng Hao so much that she failed herself and the only good Director Wu.

“Indeed, I have a purpose, this is a transaction.” An Ning spoke calmly, her expression suddenly became cold, her eyes were full of serious emotions: “I will help you get the name of the hero, and you will receive both wealth and power. Of course, I need you. When I am, you must help me unconditionally.”

After the events of the previous life, An Ning knew that Qiwei was a grateful person. Since everything can happen, she would be happy to sell her favor and be the “beneficiary” who moved the boat along the way.

“Is it that simple?” Qiwei still felt a little unbelievable, he looked suspiciously at the woman in front of him, but had to be convinced by the seriousness in her eyes: “But, even if you can support me, but if there is no surprise, This money is just a drop in the bucket.”

Of course, An Ning is very clear about these things. However, these things may be difficult for others, but they are the easiest things for a person who has recovered from the dead.

She crossed her fingers and said to herself, “You don’t have to worry about this, I’ll give you some tips to stand firm first.”

“What’s the news?” Qiwei’s hesitant and drooping eyebrows suddenly rose, and his high nose shrugged, as if he had smelled some wonderful smell, and even his defensive expression became warm.

An Ning raised the corners of her lips, rolled her eyes, and automatically listed in her mind what would happen in the next few years, calmly said, “You can go after He Shu’s soon-to-be-married boyfriend. I don’t know how many women there are, and they still use her money to support women, and that Wu Qiming, who is married, still has domestic violence, and…”

Five minutes have passed, An Ning has already talked about the scandals of the first-line stars in the entertainment industry. Xiaodong on the side is stunned, but Qiwei has been listening with gusto and kept taking notes.

“Is what you said true?” Qiwei looked at the densely packed notebook, a little suspicious and a little excited, and he couldn’t wait to verify.

“True or false, you can see for yourself, won’t you know? I believe that as long as you catch up on the news of these few people and publish it on the Internet, it will definitely set off a storm in the entertainment industry.” An Ning smiled mysteriously, That kind of inevitable appearance made Qiwei even more incredible.

Since she was so confident, he really wanted to try the truth of these questions.

“Okay, I’ll go after He Shu and Wu Qiming now. If it’s true, I’ll agree to your terms.” Qi Wei pursed his lips, put away the check on the table, and finally looked serious.

An Ning watched Qi Wei’s movements, quite thoughtful. After hesitating for a moment, he said in a low voice, “No problem. Besides, I hope you can help me keep following a person.”

When Qiwei heard An Ning say this, he paused in his heart. He raised his head and looked at her with some caution in his tone: “Who is it?”
