

Chapter: 3171

“It doesn’t seem like there is any big news today.” Xiaodong looked at the top topics, all of which were funny jokes: “Hey, wait, you slide up.”

An Ning paused and slid up a bit, and suddenly saw a very eye-catching topic – He Shu’s fiancée, both men and women, taking money from women to raise spare tires.

Qiwei finally released!

An Ning was a little excited. After waiting for so long, it finally arrived. She clicked on the topic and saw that Qiwei’s registered account had published a long article and nine clearly visible pictures.

“Wow, is this true, He Shu often shows affection to him in front of the media, how could this man be so scumbag?” Xiaodong was stunned, feeling unbelievable, and at the same time was shocked by what An Ning said before. .

Since this one is true, the other things are probably not fake either.

After reading the news released by Qiwei, An Ning immediately called him, and the other end of the call was quickly picked up.

“Qiwei, you did a good job.” An Ning’s tone was a little teasing, and it was estimated that He Shu wanted to kill him now.

Qiwei was obviously still excited, and said quickly, “I’ve been following him for a month. That man is too cunning, and he knows how to hide. I didn’t catch him in the end.”

“Congratulations, but I called because I wanted to ask you something else.” An Ning smiled, and then she pointed at her own purpose.

Qiwei on the other end of the phone was obviously very clear, and he calmed down immediately and said, “Don’t worry, I know, I talk to them every day. Recently, I found that An Yue seems to be sticking to An Tianxiang.”

For this news, An Ning is obviously not interested, what she wants is to be updated.

She said solemnly: “I already know about this. As for An Tianxiang, you have been with him for a month, so you should have a general idea of his itinerary, right?”

“I know, if you want, I’ll send it to you later, and I think the two of them are a bit strange recently.” Qi Wei was a little thoughtful, thinking back to the shots he took and the news he had inquired, doubts arose in his heart.

“Oh, what a strange method?” These words suddenly made An Ning interested.

“When I followed An Yue in the first half month, An Tianxiang obviously didn’t want to pay attention to her, but in the last two weeks, he has obviously become a lot more enthusiastic about An Yue.”

Hearing this, An Ning frowned, and her heart seemed to fall into the ice cellar all of a sudden.

She is now very clear that if An Yue is really on the list, it will be difficult for her to shake An Yue’s position. If it is revenge, she does not want to become an enemy with a big man like An Tianxiang so early. .

After all, she doesn’t have this capital now.

“Are you sure?” An Ning still couldn’t believe it, thinking back to the day when An Tianxiang rejected An Yue in the hotel.

Could it be that a man like him couldn’t avoid falling in love with An Yue’s face in the end?

“I’m sure I can send you all the photos. They were taken while they were eating in the restaurant.” Qiwei raised his voice slightly, his voice was firm, eager to prove himself.

An Ning knew that paparazzi like Qiwei would not speak vernacular, but the more she did, the more difficult it would be for her to accept it, so she repeatedly doubted it.

“yes.”

She responded calmly, and her heart became more and more dull, and the slightest jealousy and hatred ran through her stomach.

This man, An Tianxiang, originally she wanted to fight for it, but now it seems that An Yue has forcibly made her more difficult. Although she complained and resented in her heart, An Ning never showed it, only a little indifferent.

Qiwei felt her suddenly cold attitude across the phone, and the conversation changed, and he simply changed the subject.

“There’s another thing I want to tell you.” Qiwei’s tone was slightly paused, and he gradually calmed down: “That’s it, I was inquiring about An Tianxiang’s news recently, and I accidentally learned that his life experience is not simple. .”
