“Thank you, Qiwei, your news is very important to me, and I’ll give you some big news next.”

On the other end of the phone, when Qiwei heard Anning’s promise, his heart jumped up, and he said cheerfully, “This is what should be done, but, to be honest, I’m a little embarrassed right now, you said that I’m going to explode in a few days. Sugar daddy, or Wu Qiming domestic violence?”

There are too many materials, and sometimes it involves the issue of trade-offs. When An Ning heard it, he suddenly thought of his own routine seven years later, so he directly learned and sold it now.

She smiled lightly: “It’s good to have one by one, you can give a preview, first reveal An Yue’s, then Wu Qiming’s, those netizens who are bored will definitely live under your Weibo every day, such a Come, in addition to the gossip itself, you can also earn enough attention and popularity.”

As soon as An Ning said this, Qi Wei blinked and suddenly felt a sense of enlightenment. He thanked him repeatedly: “An Ning, you are so powerful, this is a wonderful trick! I will do it right away!”

Qi Wei hung up the phone excitedly, and An Ning didn’t mind. She stood up, stretched out in a good mood, and threw herself on the sofa with a smile. However, Xiao Dong, who had been listening in, was a little worried.

“Listen to what you mean, are you trying to find An Tianxiang?”

An Ning heard the worry and rejection in Xiaodong’s tone, she propped her forehead, patted her shoulder, and comforted: “Yes, I really want to find him, but Xiaodong, you don’t have to worry about me, you are You may not be able to accept these things from a serious brokerage company, but I don’t have many choices.”

Hearing this, Xiaodong tilted his head, feeling a little guilty and a little self-blame: “It’s all my fault, there’s no way to run a good advertiser for you, otherwise you don’t have to…”

“Don’t blame yourself.” An Ning interrupted Xiaodong’s words, pulled her hair from the temples, and her eyes were gentle: “You can’t run, I’ll just run, you can help me when I’m down, I’ll be grateful to you lifetime.”

“An Ning…” Xiaodong suddenly felt a little sore in her nose. She volunteered to be An Ning’s manager, but now she has become a drag. She blamed herself, but she was extremely determined, determined to work for An Ning conscientiously!

Days passed by, and a few days later, in the blink of an eye, it was the notice time that Qiwei said on Weibo. Many people who eat melons have been waiting and watching. An Ning and Xiaodong, two people who know the truth, can’t help but pinpoint the time to get together. lively.

“Wow, here I come, let me see what Qi Wei wrote.” Xiaodong refreshed his Weibo with his computer in his arms, and seriously read out the title in the black box word by word: “Entertainment Rising Star is posted on a wealthy family with a pure image. It’s a fake.”

This title is really good, An Ning secretly complained in his heart, and chuckled lightly, and when he thought of An Yue’s violent appearance, he felt heartfelt joy in his heart.

“Qiwei’s rhyming literary talent is estimated to be one of the best among paparazzi.” An Ning said lightly, flipped through Qiwei’s revelations, and clicked on the comment area with great interest.

[My God, An Yue looks so pure, but I didn’t expect to post a rich man instead? Do women really love money? Can’t cherish feathers a little! ]

[If you haven’t come up with a ready-made work, you know that you are close to the gold master. Tsk tsk, this woman An Yue is a vase with a low IQ. ]

[I said why Anyue Resources is so defiant, after a long time, it’s because of the An shi! ]

Netizens had different opinions, and An Yue and An Tianxiang were brought to the forefront of public opinion in an instant.

She didn’t forget what Qi Wei said that An Tianxiang had made an appointment with An Yue several times, and these news were just an appetizer for two people to stumble, and she absolutely could not let these two people be together!

On the other hand, it is not good to go too far and offend An shi. Therefore, when Qiwei came to discuss with her before breaking the news, she specifically said not to over-expose the man. She was defeated by character.
