

Chapter: 3174

“It’s gaining popularity too fast.” Xiaodong looked at the top topic on the search list, a little stunned.

In the final analysis, An Yue can only be regarded as a small star. She is less than 1/100,000th of He Shu. The reason why she has such a high search volume is mainly because Qi Wei played a wave of riddles before.

“It’s normal.” An Ning didn’t find it strange at all. She stood up, looked at the date and time, and turned to Xiaodong, who was still reading gossip: “Xiaodong, in the afternoon, you can go to Tianhua with me. photo studio.”

An Ning, who had been dormant for three months, actually wanted to go out. Xiaodong stood up instantly, a little incredulous, and full of curiosity in his heart: “What are we going there for?”

An Ning smiled unpredictably, with wind in his eyes, and did not intend to hide it from Xiaodong: “Of course it’s an advertisement. According to An Tianxiang’s itinerary that Qiwei gave me, I found out that there will be group performances on this day.”

“Group performance?” Xiaodong’s excited face instantly collapsed, and she frowned and cried: “It’s not necessary, you have acted in TV series anyway, so you can act as a group performer for them?”

Seeing Xiaodong’s exaggerated expression, An Ning knew that she hadn’t figured out what she wanted to do, she curled her lips slightly, raised her eyebrows, and said to herself, “My purpose, you will understand if you go with me. , a group performance is not worth my trip.”

After dozens of minutes, the two successfully arrived at a studio owned by Bo Shi. There was already a long queue at the door. It was obvious that An Shi attached great importance to this series of advertisements.

“Hey, isn’t that An Yue?” Xiaodong tugged An Ning’s clothes, and between the exposed slits of the curtain, An Yue’s pure and beautiful profile was shining under the spotlight.

“Really?” An Yue glanced at her indifferently, as if she didn’t mind, and her attention returned to the long queue.

“An Ning, don’t you care at all?”

Xiaodong still had some lingering fears when she recalled the move that day. She looked at An Ning’s calm appearance and was rather puzzled.

However, An Ning’s wholehearted attention was only on An Tianxiang at the moment. She still remembered that on the itinerary, it was written that he would come here, but she looked into the shed several times and did not see An Tianxiang’s shadow. .

“Nothing to worry about.”

The long line was finally finished, An Ning passed the test to see if the facial features were correct, took the sign and followed the staff into the shed, while Xiao Dong waited outside.

According to my own memory, this advertisement seems to be a classic advertisement showing the peak of An Yue’s appearance. The reason why she is called a classic is because it is different from ordinary advertisements, and it is the first advertisement in the industry that is willing to shoot a plot for the product.

And she remembered that An Yue played a blind woman who was ridiculed and took the stage with a dream, but was humiliated by the judges by splashing water.

Today, An Ning is a group performer who plays one of the audience and judges.

Before An Tianxiang appeared, An Ning’s attention more or less fell on An Yue who was under the spotlight. At this moment, she was still preparing to get into her emotions, and the filming had not officially started.

“Come here, the division of labor, you, you, you, and you, wait for the judges seat, and the rest of the audience sits.”

There was a lot of noise in the studio, and the director raised a loudspeaker to call all the group performances together, and randomly selected a few more mature-looking people as judges, and among them there was an absent-minded tranquility.

“Go and sit down, we’re about to start!” An Ning was still waiting for An Tianxiang to appear, and he had no intention of shooting an advertisement.

An Yue, who had just stepped on the stage, saw An Ning sitting in the judges seat at a glance. She stood under the spotlight with a slightly stunned expression. Then, she reacted and ran off the stage angrily. peaceful.

She asked sharply, “Why are you here?”

The wrist was so painful that An Ning recovered, and found that An Yue was already standing in front of her. Although she had known for a long time that there would be a little conflict with An Yue, but An Yue rushed over so directly, let her take a moment. surprised.
