

Chapter: 3198

I don't know how long it took, Yang Qingfeng's car finally arrived at the downstairs of Yang Ning's house. Due to various reasons, he didn't need to get off the car to send her off. He briefly explained a few words, and after watching Yang Ning go upstairs, he Drive away from here.

Back in the house, before Yang Ning could open the door, Xiaodong immediately opened the door from inside.

Yang Ning was a little surprised by her diligence, but when she noticed her expression, she understood what had happened.

“What's wrong, your face is so serious.” After changing a pair of slippers, Yang Ning sat on the sofa with a frowning Xiaodong. She looked at her ugly face and became uneasy.

“Just now, Sister Luo called.” Xiaodong's face turned cold, and his always happy appearance became very dull.

When Yang Ning heard the name, she couldn't help frowning, her eyes finally became serious, and she asked, “Did she say something to you?”

Hearing this, Xiaodong nodded, his eyes became more complicated, he opened his mouth a few times before finally organizing the language: “Sister Luo said, you and Shengtian are still in the contract period, even if you don't renew the contract now She is also an artist of Shengtian, and now she wants to arrange a business event for you.”

“Arrange activities?” Yang Ning questioned suspiciously, his eyes widened, and a sneer hung on his lips: “She's not so kind, you go on, I'd like to see what tricks she wants to play.”

Yang Ning's tone was cold, it was difficult to hide the anger in his heart, and he was quite unhappy.

When she was about to leave Shengtian, Sister Luo did not keep her, but now they force her to go back with a contract. They are deceiving people too much!

Sitting cramped on the sofa, Xiaodong obviously felt Yang Ning's anger, she hesitated, thought for a long time, and said worriedly: “Sister Luo said, this event is an advertisement, but you are a supporting role, Yang Yue is the protagonist.”

When the words fell, Yang Ning was blown away, she stood up excitedly, staring at Xiaodong coldly, the nameless fire in her heart jumped up.

“I just want to ask, does this female supporting role have the kind of plot that can kill the female lead, if not, then I will not go!”

Xiaodong didn't know that Yang Ning would definitely be angry, that's why she was so worried.

If you put aside the grievances and grievances of the two people, this errand can be considered a good thing, but unfortunately there are not so many ifs.

“Of course not. I heard that it was an advertisement for milk. You want to shoot that kind of innocent campus plot. You also know that Yang Yue's face is suitable for this...”

Xiaodong stood up and comforted Yang Ning's back, not wanting to make her too angry, however, Yang Ning couldn't swallow this breath no matter what.

Sister Luo is using her as a toy, holding it in her hand when she wants to play, and throwing it away when she doesn't want to play.

Yang Ning gritted her teeth, but she also knew that it was impossible not to go, she forced herself to calm down a little, and figured out the ins and outs of the matter almost instantly.

This matter is definitely not only Sister Luo's idea, that Yang Yue is definitely the main promoter of this matter!

“Did Sister Luo tell you who the male protagonist is?” Yang Ning sat on the sofa again, still unable to calm her anger, but she seemed to have calmed down a lot.

“I said, it's Yang Qingfeng.” Xiaodong sighed and spread his hands: “What makes me speechless the most is that the script said that you should play an ugly girl...”

OK, ugly girl.

Upon hearing this, Yang Ning was almost 100% sure that the person behind the scenes was Yang Yue.

She just wanted to let her ugliness complement her beauty.

Yang Ning laughed angrily and said coldly, “Yang Yue really thinks, she wants to see me embarrassed, but I don't show her.”

Hearing this, Xiaodong was stunned for a moment, nervously grabbing Yang Ning's arm, his face pale: “Yang Ning, you won't say you won't go, the contract is written, you must participate in all the activities designated by Shengtian, otherwise it will be If we breach the contract, we cannot afford to pay the penalty.”

“Don't worry, I won't stop going.” Yang Ning smiled reluctantly, and his disgust for Yang Yue became more and more serious.
