

Chapter: 3206

Just like this life, she killed Yang Yue, no matter how she struggled, she would make her a mouse in her mouth.

To get rid of those unnecessary emotions, you must be sharp and strong rooted in it.

“Really, I can see that you are very hostile to us, but I’m not interested in knowing, if you want to stop the car, just try.”

Zheng Tao didn’t want to talk to Yang Ning any more. Even if a woman who daydreams and builds up everywhere, no matter how lucky she is, if she can be played by An Tianxiang for a while, the final outcome will be seen in advance.

“Hehe, in the end, who is the mantis and who is the car, you will know in a few days.”

Yang Ning lifted her hair and stood there, watching Zheng Tao go away, the wind in the woods was blowing gently, and the fog in her heart became clearer.

A few hours later, after filming the commercial, Yang Ning and Yang Qingfeng said hello and left in a hurry with Xiaodong.

The two returned home exhausted. After eating and taking a shower, Yang Ningxian told her what happened on the set today, out of boredom.

Xiaodong has been in the field all the time and was extremely surprised by what Yang Ning said. She said incredulously: “So, don’t you become a complete enemy in the eyes of that woman Yang Yue?”

“When did she not think that I was her enemy? It’s also a good thing that she can finally get serious now, so as not to fall into my hands and say I’m smothering her.”

Yang Ning snorted in disapproval. She didn’t have any good feelings for Yang Yue at all.

“Hey... that seems to be right.” Xiaodong scratched his head and smirked twice: “By the way, “Peerless Beauty” will be broadcast in a few days, Yang Ning, are you nervous?”

“It doesn’t make much sense.” Yang Ning fiddled with her fingers, and she could almost think of what the group of netizens on the Internet would say. Her role as a princess was not likable in front of her.

“Hey? It’s the first time that my own play is going to be on TV, and I don’t even feel it at all.” Xiaodong obviously couldn’t understand Yang Ning’s calmness. She opened her eyes in surprise and rushed to Yang Ning’s side.

“No, you are really like a little girl.” Yang Ning poked Xiaodong’s forehead with a smile and shook his head: “Okay, I’m too tired today, let’s go to bed earlier.”

Hearing Yang Yue say this, Xiaodong couldn’t continue to ask excitedly, so he had no choice but to answer “Okay”.

A few days later, “Peerless Beauty” was launched on various TVs as scheduled. Lin Keke and Dou Qingfeng’s appeal was not bad, and the ratings on the first day hit a new high on all channels.

Yang Ning is also very satisfied with this, as long as more people watch her, she will be liked by more people in the future.

“Wow, Yang Ning, people on the Internet don’t seem to like the heroine’s character.”

Xiaodong swiped the Weibo under the topic of “Peerless Fenghua” in a puzzled way. There are few people who praise Lin Keke, but they have been talking about getting to Dou Qingfeng’s handsome.

“Isn’t that expected, you like silly white sweets?” Yang Ning held the remote control, and the TV in the living room was playing her TV series. The role of the princess will take a few episodes to come out.

“Isn’t silly Baitian? Only silly Baitian can meet a handsome guy like Dou Qingfeng!” Xiaodong held his face with love in his eyes, and did not shy away from his love for the male protagonist.

Seeing this scene, Yang Ning couldn’t help but feel numb in her scalp. She shook her head, remembering that seven years ago, Mary Sue had fewer dramas and more serious dramas, and even romantic ones were very formal.

Purely silly and sweet heroines like “Peerless Fenghua” are even rarer.

“Okay, if you like it.”

Yang Ning was a little speechless. On the surface, he pressed the TV calmly, but his heart made waves. It seems that after the first wave of cleaning up, “Peerless Beauty” will usher in a wave of abandoned dramas.

If she doesn’t have any audience base, what’s the use of her role, no matter how fascinated and moving she is.

Yang Ning was quite uneasy, but there was nothing he could do. He could only pray quietly that the worst would not happen.
