

# Chapter: 3210

After all, Xiaodong put the thing in his hand in front of Sister Luo again, stood up and walked out the door without looking back.

Sister Luo, who was left in the office, had never been humiliated by a newcomer like this before, overturned everything on the table, and threw herself on the sofa angrily.

On the other side, Xiaodong and Yang Ning left the office. Along the way, Xiaodong kept praising Yang Ning for being handsome, which made her doubt herself.

The two of them swayed to Shengtian's door with a smile. Yang Ning had just stepped down the first step, and a car braked suddenly, splashing mud from her pants.

“Wow, that's too unsightly! I'll go to them for a theory!”

Xiaodong glanced at Yang Ning's pants and frowned angrily. She was about to go to the owner of the car to reason with her. She looked up at the car and felt a little familiar.

“Forget it, it's alright, don't go.”

For this trivial matter, Yang Ning didn't want to make any noise. After all, he was considered a little celebrity now, and he had to maintain his personal image.

Pulling Xiaodong, Yang Ning was about to take a detour, but the sound of high-heeled shoes caused her to look sideways.

Yang Ning couldn't help but look back, only to find that it was Tang Qian who got out of the car.

In the air, the eyes of the two just happened to collide, Yang Ning was stunned for a moment, and her eyes gradually became cold, but she had not forgotten what happened at the press conference that day.

This Tang Qian is not a fuel-efficient lamp at all.

“Oh, isn't this the little star who has made half the sky popular on our social software?” Tang Qian twisted her waist, heavily makeup on her face, and walked over to Yang Ning with a yin and yang tone.

Yang Ning didn't mean to hide from her either. She raised her eyebrows and put Xiaodong behind her: “Yo, isn't this a big star who is much bigger than me, Tang Qian, why does she look old?”

She didn't say a few words in total, but every word made Tang Qian angry. She was most taboo when others said she was old and big!

“Yang Ning, are you courting death? The lesson I gave you last time wasn't enough, wasn't it!” Tang Qian was so angry, her heavily makeup face was full of hideous marks. Yang Ning saw it in her eyes, but didn't take it to heart. superior.

She was about to speak back when suddenly, a timid voice interjected, interrupting Yang Ning's thoughts.

“Well, I'm sorry, could you please sign my name?”

Tang Qian glanced at the signed version handed over by the little girl next to her, frowned, and roared impatiently: “I'm not in the mood to sign now, stay away from me!”

“But, I'm here to find Sister Yang Ning...”

In a word, everyone present was stunned for a while. Yang Ning did not expect that he would be able to sign autographs for fans so quickly, still as a real actor.

Yang Ning took over the signed version, signed his name with excitement, and handed it to the little girl again. The little girl who got the autograph was very happy, and ran away after saying thank you several times.

A few people stood by the road, Tang Qian looked at this scene like a puppet, and she suddenly felt that this scene was not real at all. It was obvious that only herself could sign with others before. When will Yang Ning be able to sit on an equal footing with her. !

“You...you woman!”

Tang Qian pointed her finger at the tip of Yang Ning's nose, unable to utter a single word of anger. She couldn't understand at all that Yang Ning, who was unknown ten days ago, is now signing autographs in front of her!

Isn't she just playing a vicious female supporting role!

“What's wrong with me?” Yang Ning pushed away the hand that Tang Qian pointed at her, and felt very comfortable. The last time Tang Qian framed her, the anger finally subsided.

“I think I'm fine. It seems that Sister Tang Qian is a little out of breath.”

Looking at Tang Qian's turbulent chest, Yang Ning knew that she was completely angry this time and she was speechless. She turned her head and raised her chin towards Xiaodong. After a while, she slipped away under Tang Qian's eyelids. .
