

Chapter: 3219

The woman in front of her is clearly trying to be brave. She has to die here to be satisfied with her ruin!

“I will never allow you to abuse yourself like this!”

Yang Qingfeng’s always smiling eyes were bloodshot at this moment. He tightly held Yang Ning’s constantly struggling wrist, and he didn’t care at all how others viewed his relationship with Yang Ning.

“You let me go!”

Yang Ning’s feet seemed to be stepping on the clouds. Every time she took a step, there was water in her head, shaking violently. Yang Qingfeng’s continuous dragging made her feel like vomiting.

“I won’t let your thoughts come.”

Yang Qingfeng’s eyes were already red, and he didn’t have time to think about Yang Ning’s thoughts. He tensed his face, opened the door, and was about to leave with Yang Ning when President Wang’s cold voice came from behind him.

“Yang Qingfeng, think clearly, if you step out of this door, you will still be a member of Tianhua, but you can’t say for sure.”

Hearing this, both Yang Qingfeng and Yang Ning’s footsteps stopped.

Never implicate him, this is the only thought in Yang Ning’s heart.

She casually broke free from Yang Qingfeng’s hand and almost lost her balance and fell, but fortunately, Chi Fang’s eyes were quick and she immediately stabilized her.

“Don’t worry about me, I don’t need you to worry about it.”

Even though her head was already dizzy, Yang Ning’s thoughts were still awake, her blurred eyes seemed to be foggy, separated by heavy shadows, and looked at Yang Qingfeng’s silent face.

The atmosphere in the box was completely frozen, and everyone was waiting to see what choice Yang Qingfeng would make.

After an unknown amount of time, Yang Qingfeng, who had been silent for a while, finally spoke up.

He stared at President Jin’s cloudy face with a serious expression: “Okay, tomorrow I will terminate the contract from Tianhua, and the liquidated damages will be sent to your office early in the morning.”

As soon as these words came out, all the people present were in an uproar, ruining their future for a woman. No popular star can do such a thing.

However, Yang Qingfeng did it.

“No, I don’t need your fake kindness!” Yang Ning heard Yang Qingfeng’s words clearly, she supported Chi Fang to stand firm, and shouted impatiently.

There is no need for Yang Qingfeng to do this, she has never been a person worthy of his efforts.

However, Yang Qingfeng had already made up his mind, and no one could stop him.

This, Yang Ning felt it as early as when he insisted on putting himself in the hospital.

“This is my choice, and it has nothing to do with you.” Yang Qingfeng’s expression was calm, his dark eyes were as quiet as midnight, and his expression was like starlight, embellishing Yang Ning’s heart.

Looking at this scene, she couldn’t help being stunned, what kind of charm did she have, and it was worthy of letting this star-and-moon man land by her side.

She felt ashamed, and only felt that she might only feel guilty for Yang Qingfeng in this life.

“Let’s go.”

Yang Qingfeng took Yang Ning’s wrist and walked out of the venue. Chi Fang had been standing by and watched the two of them silently, without saying a word.

After the two left, she sat back in her seat, the emotions in her heart were like water, covering up her thoughts.

Leaving the box, Yang Ning breathed in the fresh cold air, and the burning throat finally felt a little more comfortable, but she still felt extremely thirsty.

“Would you like to drink some water in my room?”

Yang Ning held his forehead and shook his head subconsciously: “No.”

Yang Qingfeng thought she was afraid that she was plotting against her, he sighed lightly and patted her shoulder: “Don’t worry, the room I’m talking about is the long-term suite I rented in Fuana, which is convenient for hiding from the paparazzi. , I haven’t used it in general, I’m not taking you home.”

An explanation made Yang Ning even more dizzy. She raised her head and blinked, feeling that the surrounding environment was somewhat familiar.

“yes?”

“Yeah, the last one at the end is my room. Take a drink and take a rest. I’ll take you back later.”

Yang Qingfeng looked at the redness of Yang Ning’s cheeks, which became more and more charming against the background of her fair skin.
