

Chapter: 3227

Hearing this, An Tianxiang tilted his head slightly suspiciously, and suddenly understood what Yang Ning was talking about.

He raised his eyebrows, his expression was unpredictable, and his eyes were dark and unclear: “I haven’t mentioned it yet, but you remembered it. Are you guilty?”

An Tianxiang’s words were undoubtedly trying to test her, but Yang Ning didn’t take it. She raised her head and looked at him disdainfully: “If you don’t believe that I am Yang Ning, forget it, there’s no need to keep testing me, right? Is this fun?”

Listening to Yang Ning’s aggressive rhetorical question, An Tianxiang raised his brows and stared at her stubborn eyes with an indistinct expression.

It seems that it is too early to say that Yang Ning is lying to him.

An Tianxiang put away his doubts, raised his wrist and glanced at the time, and realized that it was getting late, he looked at Yang Ning’s embarrassed dress, and frowned in dissatisfaction.

“Your dress is too shabby. Let’s go through the back door and take you back.”

Seeing him looking at his clothes with disgust, Yang Ning was angry, it wasn’t his fault that a good clothes could become like this!

When the two came out of the hotel, An Tianxiang took off his suit jacket for Yang Ning to block him, and quickly took her into the car.

Now it’s not as good as in the past, her fame is still bigger than before, it would be bad if she was photographed by the paparazzi.

“Go directly to your rental house?” An Tianxiang sat in the driver’s seat and started the engine, his tone was rather disdainful.

Yang Ning glanced back at him, covered his bare shoulders with his suit, and muttered in dissatisfaction, “Yes, it’s my shabby rental house, the chief executive can just send me downstairs.”

Her tone sounded a little angry, An Tianxiang chuckled lightly and drove the car out of the parking lot.

“Sounds unhappy? Why don’t you move out from there, and I’ll help you find the place.”

An Tianxiang has his own calculations in his heart, but Yang Ning doesn’t know that the two have already had a close relationship, and he must have a new sense of himself.

If you meet a man prematurely, the fate of being abandoned is almost a sure thing in the class. You must let him realize the value of being worthy of constant love.

What’s more, Yang Ning never thought about winning anything by climbing high branches, she always just wanted to tie down those who are beneficial to Yang Yue.

So, Yang Yue couldn’t help but say: “Put away your thoughts, I have no interest in being a canary, and would rather be a sparrow.”

Hearing this, An Tianxiang raised his eyebrows and chuckled unbelievably. Now there are too few women in the entertainment industry who don’t want to be canaries. How many women like him are flocking to him.

The only one who can reject him outright and tell him that he wants to be a sparrow is only Yang Yue.

When he got a special answer, An Tianxiang was in a good mood. He glanced at Yang Ning in the rearview mirror, and there was a gleam in his expression that he hadn’t noticed yet.

Yang Ning sat in the back seat calmly, only to hear him say: “You want freedom, that’s fine, but you can only fly in the woods that I have drawn.”

Half an hour later, An Tianxiang’s car parked downstairs in Yang Ning’s rental house.

An Tianxiang in the driver’s seat loosened his seat belt, glanced at Yang Ning’s hasty movements, and opened the door to get out of the car together.

Seeing his action, Yang Ning was stunned for a moment, then quickly closed the car door and grabbed his arm.

Inside the car, the two looked at each other, one was stunned, the other was calm.

An Tianxiang obviously didn’t understand what Yang Ning meant. He spoke calmly, with unpredictable emotions hidden in his slender eyes, and stretched out his slender fingers to curl the broken hair on her cheek.

“What’s wrong? You look flustered?”

“No...” Yang Ning turned his head, his eyes dropped, obviously a little nervous: “It’s just, you don’t need to get out of the car with me.”

The look of her guilty conscience fell into An Tianxiang’s eyes, he frowned, his slender eyes twisted together, and he was a little puzzled.
