

Chapter: 3228

Could it be that there is something shameful in her house that she doesn't want to be seen by him?

Thinking of this, An Tianxiang tensed his face, and his eyes were fixed on Yang Ning's side face.

"Why isn't it necessary? I haven't been to your house yet. We have already done everything, so what's the point of going to your house?"

An Tianxiang retracted his hand and was sitting in the driver's seat. The tone sounded flat, but Yang Ning noticed something else.

"It was an accident, and I said I was not responsible for you."

As she spoke, Yang Ning became impatient. She glanced at An Tianxiang and felt unhappy in her heart.

I didn't want him to go up, just because I was afraid that someone would take pictures secretly. If I went up alone, even if I was photographed, it would still be a good idea to say that it was sent back by a friend.

However, An Tianxiang completely misunderstood and made things complicated.

"Don't want me to be responsible?" An Tianxiang glanced at her strangely, his anger was already aroused by her words, and he couldn't help but bring a bit of sarcastic chill in his eyes: "Did I say I'm responsible?"

If nothing happened, an extremely cold look instantly poured Yang Ning from head to toe like a basin of cold water.

It turned out that she was self-indulgent.

Yang Ning laughed lightly at herself. After all, she didn't believe that she had any ability to bind this wild and cold man.

Sitting in the co-pilot, she clenched her fists unconsciously, resisted the unwillingness and humiliation in her heart, and tried to keep calm: "If that's the case, then there is no need for you to go up, never see you again, Mr. An."

Yang Ning was angry, even if An Tianxiang didn't look at it, he could sense it just by feeling the atmosphere in the car.

But he didn't understand why she was so angry. She was the one who made him dissatisfied first. Before he was angry, she took the lead.

Does this seem more reasonable?

An Tianxiang was too lazy to think about what the woman in front of him was thinking, he turned his head, took out a plane ticket from his suit pocket and threw it to her, looking indifferent: "This is a plane ticket to Longquan Village, a After a week, you line up everything and go with me."

Looking at the plane ticket that was stretched out in front of him, Yang Ning paused in his heart, but he didn't have the slightest idea to pick it up.

She raised her head and glanced at An Tianxiang's gaze, her emotions had already been pushed to the back of her mind by the urgent situation in front of her.

"I do not want to go."

Although she knew that rejection would be of little use, Yang Ning still wanted to try.

Hearing this, An Tianxiang glanced at her with a strange look in his eyes. He pursed his lips and said, "You have no right to refuse."

Yes, there is no right to refuse, he has already told himself.

She is here with An Tianxiang, and only has the right to obey orders.

"I think you are really unreasonable." Yang Ning didn't know where the courage came from, he leaned on the seat indifferently with his arms crossed, and his face was angry: "I don't want you to be responsible for me, but also Calling me back and forth, after all, I don't know you, right? I don't even know why I provoke you."

As soon as these words came out, An Tianxiang's face suddenly became ugly. It turned out that he not only wanted to accuse himself, but also wanted to distance himself from him.

"Why did you provoke me? You thought I couldn't see it that day, and you said those words on purpose?" An Tianxiang's face was sullen, and the aura around his body suddenly dropped a few degrees.

Yang Ning's heart tightened, and the cold wind poured straight into her heart like a blade, and the whole body was full of chills.

It turned out that he had already seen it? Then why does he keep...

Seeing that Yang Ning didn't speak, An Tianxiang's eyes darkened. He was just making a test, so she was about to panic.

I originally thought that she was still a very courageous woman. It seemed that even a woman like Yang Ning would not be able to last a few days in front of him.
