

Chapter: 3236

So, she didn't care about what happened before, and concentrated her thoughts on the plan she was going to implement.

"You don't need to know about this. You just need to follow her to take pictures and take pictures. After you send it out, I will naturally have more information for you."

Yang Ning glanced at Qiwei's depressed expression, but she was very happy in her heart. She just liked to see his uncomfortable face that he didn't want to do but had to do.

"Okay, if you don't want to say it, I'm too lazy to know, I'll leave if there is nothing else." Qiwei stood up, his steps hurried, obviously he didn't want to stay any longer.

Seeing him leave, Yang Ning had no intention of holding back, until she heard the door slam shut with a bang, and she felt a little turbulent in her heart.

"gone?"

When the two were talking, Xiaodong had been hiding in the room and listening. Hearing Qiwei leaving, he opened the door and stuck his head out to ask Yang Ning.

"He's gone, come out quickly."

Yang Ning looked up at Xiaodong and beckoned to her, her eyes became a little tired. After a fight with Zhuo Wei, she felt tired.

"Wow, Yang Ning, you were so handsome just now!" Xiaodong sat next to Yang Ning and gestured exaggeratedly, as if she had done something incredible.

Seeing Xiaodong like this, Yang Ning felt a little helpless. She smiled and said, "I haven't done anything serious. You don't have to praise me like this. Hurry up and clean up your mood and accompany me to do things."

"What's the matter?" Xiaodong was obviously a little excited when he heard that Yang Ning was going to go out. She grabbed Yang Ning's arm with anticipation in her eyes, and leaned against her tightly.

"You'll know when you go."

After a while, the two disguised themselves and went downstairs in a low-key manner. On the way, Yang Ning obtained Chen Meimei's location in real time from Zhuo Wei and planned to intercept her.

That woman, who framed her and wanted to retreat, was absolutely impossible.

"Yang Ning, the Crown Hotel is here, Chen Meimei should be entertaining in the box on the 42nd floor." Xiaodong glanced nervously at the towering hotel outside the car, feeling a little uneasy.

Yang Ning saw her nervousness, patted her on the shoulder, and chuckled: "You don't need to go up, just help me watch the wind here, and I'll come down when I'm done."

Without waiting for Xiaodong to refuse, Yang Ning got out of the car and rushed into the hotel, holding his new medicine tightly in his hand.

Crown Hotel, 42nd floor.

With the sound of the elevator "ding", Yang Ning walked out of the elevator.

She glanced left and right, no one was there, the red carpet and crystal lamps in the corridor created an elegant atmosphere, but Yang Ning had no time to appreciate these at the moment.

Which box will it be in?

Yang Ning couldn't help but think about it. There are about a dozen boxes on the forty-second floor. It is unrealistic to really want to squat or peek one by one.

So how can I find her? Yang Ning leaned against the wall and pondered for a while. Suddenly, she had an idea and came up with a solution.

Although there are more than a dozen boxes, but here, she remembers that there is only one large bathroom. If this is the case, she only needs to go to the bathroom to squat.

As he said, Yang Ning found the location of the bathroom on the 42nd floor, hid behind the door, and peeked out through the gap, noticing who was coming.

I don't know how long it took, just when Yang Ning felt that she was about to fall asleep, the sound of high heels suddenly woke her up.

She looked out from the gap, and she saw a woman who was pulling her hair, that person was Chen Meimei.

Chen Meimei, who was dressed in hatred to the sky, finally stopped in front of the vanity mirror to touch up her makeup. Yang Ning clenched her hands and squinted at the familiar movements of her hands.

At this moment, there is no one around, it is the best time to force her to take medicine.

Thinking of this, Yang Ning didn't hesitate, she rushed out from behind the door, lowered her hat, pulled up her mask, stepped forward and grabbed Chen Meimei, and poured all the medicine she had prepared in her hand into her. In her mouth, she swallowed hard.
