

Chapter: 3245

“You seem a little unhappy?” An Tianxiang asked knowingly, raising his eyebrows while supporting Yang Ning, who was a little uncomfortable.

Yang Ning sighed and looked helpless: “If you didn’t let me come back, I wouldn’t come back at all, I don’t have any memories here.”

This answer was expected by An Tianxiang. Ever since he said he wanted to go back to Longquan Village again, and when he mentioned that he wanted to drop by Yang Ning’s house, her expression was not panic, but boredom.

It was also because of this judgment that he gave some trust to Yang Ning.

“It’s right in front.” Yang Ning pointed to one of the large brick buildings. An Tianxiang followed her finger and looked a little surprised.

As expected from the investigation, Yang Ning’s home is very poor, surrounded by small western-style buildings of two or three floors, and only her home is a simple one-story house.

The two walked along the rugged mountain road for a quarter of an hour, and finally came to the flat ground in front of Yang Ning’s house. A middle-aged woman was resting on the porch. When she saw the two coming together, she was stunned at first, and then her expression immediately changed. vicious.

“Yang Ning, what are you doing here! You loser!”

Huang Guihua can’t forget that Yang Ning set a fire before she left and almost burned all of her precious things. Before, she had to go to the city if she wanted to live, but now she came back and took a wild man with her, no Good thing!

“Mom, don’t be so excited, okay?” Yang Ning felt a little embarrassed and a little helpless. She didn’t want to come back, but if she didn’t, she knew that she couldn’t dispel An Tianxiang’s doubts.

When Huang Guihua heard what Yang Ning said, her anger rose again. A yellow-haired girl went to the city for a few days and dared to teach her to do things. She picked up the broom beside her and rushed over viciously, imagining when she was a child Same as Yang Ning.

“What’s wrong with me, I’m excited, you came back with a wild man, and I’m afraid others won’t say it!”

When Yang Ning saw her coming in angrily, she dodged immediately, An Tianxiang frowned, not expecting her mother to be so sturdy.

“Stop.” An Tianxiang easily stopped Huang Guihua’s waving hand, his expression was obviously ugly: “Is this how you are a mother?”

The man in front of him was quite imposing, but Huang Osmanthus pulled the two children to grow up alone, what kind of hardships she had never endured.

She raised her voice, pointed at An Tianxiang’s nose and shouted: “Don’t think that you can point fingers at me if you look like a dog, I don’t see as many people in the world as you do in the city, and I still see this kind of scene a lot. , if you want to come back and ask for money, there is no way!”

Obviously Huang Guihua has no culture, and she didn’t know that An Tianxiang’s clothes were enough for her to eat for several years.

Yang Ning saw this scene on the side, in addition to being embarrassed, she couldn’t help complaining in her heart, she quickly stood between the two, and whispered something close to Huang Guihua.

“This is the big boss in the city. Yang Yue has to rely on him to do things. If you don’t respect him so much, it will ruin Yang Yue’s future.”

The only thing Huang Guihua cared about was her own daughter. When she heard this, her wrinkled face immediately changed. After looking at An Tianxiang several times, she finally threw the broom away. , greeted him with a smile.

“I’m offended, I really don’t know it’s Yang Yue’s leader! Come in and have a cup of tea.”

An Tianxiang, who had been at the door for a long time, was stunned when he heard Huang Guihua invite him into the house. He and Yang Ning looked at each other, and she motioned him to hurry in.

In the hall, Huang Guihua brought a cup of tea to An Tianxiang, but nothing to Yang Ning, but she didn’t mind, she just picked a stool and sat down.

Cai Genhua was dissatisfied when she saw that Yang Ning used her own things again, but she didn’t say much, because she was anxious to ask about Yang Yue’s situation.
