

# Chapter: 3246

“Boss, how is Yang Yue now?”

Hearing Huang Guihua asking himself a question, An Tianxiang pursed his lips and didn't hide it deliberately, he said, “It's good, Shengtian is supporting her, and our company has signed a few advertisements with her.”

When Cai Genhua heard this, her expression was obviously very happy, but she glanced at Yang Ning, and her face quickly sank again. She hurriedly wanted to grab An Tianxiang's arm and anxiously wanted to ask some questions, but she was left without a trace. dodged away.

“Boss, I want to ask, when will Yang Yue be able to act in a TV series?” Cai Genhua didn't care about such trivial matters at all, she looked at An Tianxiang earnestly, the wrinkles on her face made her look like she was ten years older.

Yang Yue, who was sitting on the side, heard Huang Guihua ask such a question, and suddenly felt a little refreshed in her heart. She must have been seen by Huang Guihua in her performance of “Peerless Beauty”. She must be very disappointed that she did not find her daughter in the play.

An Tianxiang also saw the purpose of her question at a glance. There was no turbulence in his indifferent expression. He said calmly: “I haven't heard of it for a while, but I may have photographed it but I don't know it. I'm not familiar with Yang Yue. ”

The unfamiliar sentence made Cai Genhua stunned. The big boss is not familiar with Yang Yue, is he familiar with Yang Ning?

This time, Cai Genhua's eyes at Yang Ning became colder and colder, she pointed at Yang Ning's nose and shouted, “She can act in TV dramas, why can't my daughter act, in terms of appearance, in this 18 acres of land, There's no one who doesn't like my daughter!”

Seeing Cai Genhua's excited appearance, An Tianxiang felt that he had nothing to say. Originally, he just came to see if Yang Ning's home was really near Longquan Village.

Just as he was about to leave with Yang Ning in his mouth, a sharp female voice suddenly came from outside the door, making the scalps of the two of them go numb.

“Oh, sister-in-law Huang, you have a distinguished guest here!”

Hearing his voice without seeing him, Yang Ning cast his eyes to the door and saw a middle-aged woman dressed in a fashionable fashion just stepping in.

“What a distinguished guest! Talk about it!” Cai Genhua looked up and saw that it was Aunt Wang next door, and glared at Yang Ning angrily: “It's obviously a loser!”

Aunt Wang certainly knew what Cai Genhua's attitude towards Yang Ning was. She only smiled and didn't say much, and her shrewd eyes fell directly on An Tianxiang's body.

“Didn't I say this distinguished guest, I heard you say that you are a big boss just now outside the door!”

This obviously flattering remark made An Tianxiang feel very uncomfortable. Their big boss who kept his mouth shut made him look cheap and inferior.

Seeing Aunt Wang's eyes shining brightly, Cai Genhua knew what was on her mind, sneered at her, and rarely said something human: “Just because of your old-fashioned face, wait until I tell you, old man, Don't let him kill you!”

When Aunt Wang heard her pick out her own purpose, she couldn't help laughing twice, and immediately smirked and waved her hand: “You think too much, it's not that my eldest girl hasn't married yet, come and have a look.”

“Don't look at it, this is our Yang Yue's man!”

Yang Ning sat aside, listening to the two of you arguing about who An Tianxiang belonged to. She felt that this scene was too funny, she glanced at An Tianxiang's ugly face, and knew that he was far away from anger. Far.

“You bitches, can you shut up?”

Sure enough, before Yang Ning's idea came to fruition, An Tianxiang couldn't bear it any longer. He stood up, and his tall figure was particularly powerful in the narrow room.

Cai Genhua and Aunt Wang were so frightened that they shut their mouths and stared blankly at An Tianxiang's stiff face.

“I'm not from any of your family. I want to destroy your family right now, believe it or not?”

They have never suffered such humiliation before. Two rural women are fighting for themselves like a cabbage. Could it be that they are such low-priced vegetables?

An Tianxiang glanced at Yang Ning, who was laughing beside him, and his mood became more and more depressed. He pushed away the chair in front of him and walked straight out, suppressing a strong sense of irritability in his back.
