

Chapter: 3249

Half an hour later, the two arrived at Longquan Village.

This is the place that belongs to An Tianxiang, but when he arrived here, he became silent. Yang Ning turned his head and glanced at An Tianxiang's heavy expression. For a moment, he seemed to feel the same.

"Do you still remember the location of the orphanage?" An Tianxiang stopped, waiting for Yang Ning to answer, she knew that this was where the test began.

"over there."

Raising his arm, Yang Ning skillfully pointed in one direction, his eyes full of confidence.

Seeing the direction Yang Ning pointed, An Tianxiang's eyes darkened, and there were some ideas in his heart that needed to be verified.

"You're so confident? Then we'll go this way and have a look."

An Tianxiang looked calm, and took the lead in walking in front of Yang Ning, his black hair was lifted by the wind, and his eyes were filled with unknown emotions.

Yang Ning followed in his footsteps, secretly doubting whether he remembered the news Qiwei gave him wrongly.

After a while, the two came to the old site of the orphanage. Yang Ning looked up at the abandoned orphanage and breathed a sigh of relief.

It seems that it is indeed here, but An Tianxiang is playing with her.

"I know what you're thinking." An Tianxiang sat on the stone, staring at the dilapidated house with confusion, his back was slightly bent, and his heart turned back and forth: "Actually, there is an orphanage in Longquan Village, only But it was built by me, and many people who pretended to be Yang Ning thought that it was the real orphanage, but they didn't expect that it was actually here."

Hearing An Tianxiang say this, Yang Ning couldn't help being stunned for a moment. She really didn't know there was such a thing. Fortunately, Qiwei still depended on it.

"Well, of course they don't know that they are fake, but I have emphasized to you from the beginning to the end, I am real!"

Yang Ning's eyes were firm, standing beside An Tianxiang, looking at the completely dilapidated building in front of him with some strangeness, the painted walls and almost all the broken glass, all telling the fact that the place has fallen.

An Tianxiang stood up, his hands in the pockets of his coat, the turtleneck covered his sharpened chin, revealing his pale lips.

His eyes were lonely and lonely, as if he wanted to pass through this wasteland and return to the past. When Yang Ning saw his silent appearance, his heart tightened. The tingling feeling made her bite her lip and swallow what she wanted in her heart. spoken words.

At this moment, Yang Ning had to feel that she was a sinner and wanted to use An Tianxiang's past to achieve her goals, but everything in the world could not be all sympathy, and she had to make her own choice.

"Do you remember anything?" An Tianxiang looked back at Yang Ning, the dark tide in his eyes had turned into the sea under the moon, quiet and deep.

"It's been too long, I don't remember that much. Besides, I didn't really grow up in an orphanage. I still have some memories about Xiao An, and I'll tell you."

Yang Ning clenched his hands, wondering if these words could be put back, and felt a little nervous in his heart.

An Tianxiang raised his head and glanced at her, his emotions were ups and downs, but his face was still calm: "Really, if that's the case, there's nothing I can do, after all, you have been for so many years. The most like Yang Ning."

He used the most like, instead of her, Yang Ning, Yang Ning was startled, and all kinds of emotions flashed in her heart for a while, she didn't know what the man in front of her was thinking.

"I don't mind what you think." Yang Ning simply cut to the chase, with an unpredictable expression, suppressing the unease in his heart.

Hearing this, An Tianxiang glanced back at her, Junyi's face was blown pale by the cold wind, he suddenly chuckled and said calmly: "Of course you don't mind, Yang Ning, it's not that I can't prove you. It's fake, but I don't want to believe it, you know?"

Standing beside An Tianxiang, Yang Ning was stunned, her eyes widened in surprise, and she didn't realize what he meant by these words for a while.
