

Chapter: 3254

“That’s it, this building is all children’s rooms.”

The three came to the building next to the dean’s office. The four floors here were all orphans who were taken in. An Tianxiang and Yang Ning looked through some undraped windows and could clearly see the sleeping inside. children.

Seeing that they were all asleep, An Tianxiang didn’t want to disturb them anymore, but just when he wanted to leave, a door beside him was suddenly opened.

In the corridor, the eyes of the three of them couldn’t help but turn to the door that opened in front of them. A small figure came out rubbing her eyes. She was wearing only thin pajamas, and her body was shaking from the cold wind.

Yang Ning frowned and was about to carry her back to the house, but when she saw her hiding behind the door frame, she said timidly, “Uncle Dean, are you here to pick up my parents?”

Hearing this, the three people present were silent, Yang Ning and An Tianxiang looked at each other with the same complexity and compassion.

Maybe it was because she couldn’t bear it, maybe it was a small figure in the cold wind, too much like Yang Ning who lost her parents and cried alone at that time, she forced herself not to look at those childhood scars, and slowly squatted in front of the little girl with an expression on her face. Gently wiped her tender face.

“I’m sorry, we didn’t come to pick up your parents and let you down.”

It’s too bad to give expectations and be denied personally. Yang Ning has experienced thousands of times in the gap with Yang Yue, and he already understands it.

But if you don’t tell the truth to the little girl in front of you, that dreamy bubble will always dissipate one day.

“Really?” The little girl tilted her head, looked at the two people in front of her with wide eyes, and smiled suddenly: “It’s okay, Uncle Dean said you should get used to this kind of thing, but you guys are really like me. My parents, but they don’t want me anymore.”

He should be at a pure age, but he has learned too many things that he should not understand. Yang Ning sighed and was silent for a while, not knowing what to say, but at this moment, a voice came from behind him.

“Since this is the case, this sister and I will be your parents for one night and sleep with you.”

The cold wind was roaring, An Tianxiang’s words turned into a storm and swept her already calm heart. Yang Ning looked back at the man in front of him in disbelief, as if he didn’t understand what he was talking about.

Her shocked expression fell into An Tianxiang’s eyes, but he didn’t care.

“Why are you so surprised? Our relationship is more intimate than pure sleep, right?”

In front of the child and the dean, An Tianxiang said such words like this, Yang Ning’s eyes widened, and he quickly stood up and covered his mouth.

She tightened her voice in embarrassment, and she sounded gritted her teeth: “It was just an accident!”

The dispute between the two fell into the dean’s eyes, he coughed lightly, and his eyes indicated that their child was still in front of him.

Yang Ning obviously noticed her gaffe, she quickly withdrew her hand, scratched her head in embarrassment, and pulled a stiff smile from the corner of her mouth.

He asked the little girl, “Then do you want to sleep with us?”

When he asked this, Yang Ning wanted to slap himself. Isn’t this obviously sending him to bed!

However, she still couldn’t stand the earnest gaze of the little girl. Even if she didn’t ask this question now, she probably would have to ask it later.

Sure enough, hearing Yang Ning ask herself this, the little girl immediately clapped her hands excitedly, rushed to Yang Ningde’s leg, and hugged her leg.

“Okay! I want to sleep with Mom and Dad!”

After a while, the dean took Yang Ning and An Tianxiang, who was holding the little girl, to a separate bedroom on the top floor. This is the room that An Tianxiang will use exclusively when he comes.

“It’s not too early, so I won’t disturb your rest.” The dean opened the door for the two of them. After turning up the heat, he closed the door and let the three of them rest on their own.
